Vern Perry, Editor

THIS WEEK--January 12, 1972

Roosevelt Hotel--Coe College visiting Professor Francis O'Brien discussing "National Security vs. Right to Know." A timely topic with the Pentagon papers, columnist Jack Anderson, et al, in the news. Professor O'Brien has written several books. His most recent titled "Justice Done--A Review of Great Trials." Another of his areas of interest is the Irish Revolt, its causes and implications. Such an interest appears appropriate for an O'Brien!

BOARD MEETING ... Tuesday Noon, January 11, 1972 ... Roosevelt Hotel.

A FINE RECORD

The following have attended thirteen meetings for a perfect record during the first quarter of the KIWANIS' year ... Vic Bock, Wallace Brown, Ed Colton, Frank Cosgrove, Jim Crumrine, C. R. Fahrney, Clarence Fenner, Albert Gee, Adolph Helm, Arnold Herbst, Ken Holvenstot, Bill Jameson, Dick Landis, Jim Luhrs, Charles McIntyre, Roy Parker, Bill Pohorsky, Frank Wilbur, with Frank Race and Clyde Sanborn sitting in at equivalent number at KIWANIS' clubs in places such as sunny Florida. In addition, quite a number of members missed only one meeting.

A VINTAGE YEAR

Program Chairman Dick Landis has some good ones lined up! As a few for-instances ... President Ed Colton giving us a report of the going-on's at the Mid-Winter session scheduled for Omaha the 15th; Dick Clark, Culver's assistant giving us the inside political dope; Paul Franzenberg will appear early in March; John Bremner of Coe College has agreed to spend a Wednesday noon with us; Father George will relate his experiences in Hungary ... and there are a lot more good ones ... but Dick doesn't know just what they are at the moment! Kidding aside. Where can one find such a line-up ... except at the Downtown KIWANIS! An outstanding Lecture Series!

CHRISTMAS SPIRIT

Major Gene Adney expresses the appreciation of the Salvation Army and some 53 youngsters who had the opportunity to enjoy the Stripling Hand and Glove Players at a special appearance arranged and paid for by the Downtown KIWANIS.

LAST WEEK

Frank Nye hasn't changed a bit over the years. He just matter-of-factly sticks his neck out making predictions concerning who will run for office, who will probably win and why! He painted an interesting picture for us last Wednesday, whether you agree with him or not! But the rational for some of his conclusions somehow got by me so I'm not going to try to brief you on his predictions. If you weren't there, you will just have to wait and see what happens come campaign and election time!

But I felt sorry for Frank. John Palmer is a hard act to follow. His introduction of Frank was a masterpiece of rhetoric and showmanship. Dick, how about a program combining the talents of John and Clarence Fenner some Wednesday noon when everything is looking bleak?

NO EXCUSE ... Joe Power has a stock of KIWANIS' pins on hand--latest version.

I.D. PICTURES

Bill Jameson advises approximately two-thirds of the Downtown KIWANIS have had their pictures taken for the I.D. book. All those who haven't thus far been "shot", please step forward!

VISITORS ... Harold Ward, guest of Jim Downing. Larry Applegate, guest of Doug Valentine.

ANNIVERSARIES

Kenneth Rudd - January 2, 1952; Richard Chandler - January 6, 1971; James Loyd - January 6, 1971,

Do any of you know this fellow Robert W. Gale? Last week's Bulletin indicate he had an anniversary. Sorry about that, Bob! Robert W. Gable joined KIWANIS December 29, 1954.

NEXT WEEK--January 19, 1972

Roosevelt Hotel--President Ed Colton bringing us the highlights from the Mid-Winter Conference. In addition, committee meetings over lunch. There are rumors of behind-the-scenes committee activities. Do you know what your committee is doing and planning to do? You had better be on hand next Wednesday to defend yourself, or you may get appointed to head something! (Confidentially, Committee Chairmen, I sure would like to report some of these "activities" in the Bulletin--but I don't have the time to be a conscientious inquiring reporter. How about slipping me a few bits of information concerning your committee? I don't like to report rumors! How about a few facts?)

ONE DOWN

Frank Wilbur reports Orie Lawrence is in St. Luke's Hospital. Make it a short stay, Orie. Looking forward to your return to a Wednesday noon roundtable for lunch. (Orie's room is 541--but hope he has vacated and is home before you read this.)

NEWEST MEMBER

Reverend Glenn Bender of the First Congregational Church, introduced by Ray Vaughn. Glad to have you with us, Glenn. Six new members will be installed next Wednesday.

YOUNG UPSTARTS

Remember that 100 bucks the Downtown KIWANIS loaned to the Vocational-Industrial Clubs of America (Kennedy High) during November to help get the organization started? Youth Services Committee Chairman Charlie McIntyre reports the young members of VICA have completed their drive to get the chapter organized and have returned our money! That was truly a short-term loan! May we continue to have such good return.

LAST WEEK

I'm not going to comment on John Palmer's introduction of our last week's speaker, Dr. Francis O'Brien. Not even comment on John's French--because if he hadn't (in American) stated that the introduction was in the French language, I probably would have accused him of running the tape backward, at half speed! I sort of felt left out. I don't mean to imply that John's--or Dr. O'Brien's--French leaves something to be desired. But I grew up in a Scandinavian community where all we heard about the French was that they sold picture postcards!

Dr. O'Brien certainly has an impressive background of academic and professional accomplishments, has a keen sense of humor and, with well documented evidence, pointed out that this matter of secrecy and security is no new thing in government circles. Apparently even Washington, Jefferson, Madison and other heads and holders-of-high-offices had their secrets--and their security problems. Dr. O'Brien feels the average citizen would have "intellectual indigestion" if he were given all of the information which is reviewed and leads up to many of the important decisions in government. In other words, he believes that some secrecy is necessary if any government process is to operate. We either trust our representatives in our government--or we replace them by the process of election at our next opportunity. Of course, the "wheels turn slowly"--especially in a democratic form of government. In the case of a one-man dictatorship, the opposite is true. But who wants a dictatorship? (I'd better end this. The Bulletin doesn't have space for Letters to the Editor--but the Editor can be replaced! In fact, he'd like to be. Will the volunteers please step forward? No stampede, please!)

THIS WEEK--January 26, 1972

Roosevelt Hotel--Dick Clark, John Culver's right hand, giving us the latest from the political front.

PRESIDENT'S PHILOSOPHY

Last Wednesday President Ed Colton submitted for our consideration and comment, a number of suggestions concerning the plan for the year ahead. (The one that I found most interesting--and I welcome with enthusiasm--is his suggestion that the Bulletin be published every other week, instead of the present weekly edition. It would be held down to the present single sheet, and be primarily concerned with a listing of upcoming programs and a report of committee activities.)

One general point of philosophy which Ed made was that he feels that we should do even more for the young people, and in order to have the money available to do it, reduce expenditures wherever possible. And possibly we won't need a money-making project such as the band festival sale, previously planned. Ed says--"Let's give the kids something. Not to try to make money off of them by selling them something." He has no intention of backing off on the gumball project as that money is needed to continue to finance the eye and dental program for the needy youngsters.

I haven't told you much above, but if you attended last meeting--you heard what the President said! He would like to have your comments.

NEWEST MEMBERS

Well, I was half right anyway! I mentioned in last week's Bulletin that six new members would be inducted at the next meeting. As things worked out--it was three. Glad to have you with us Glenn Bender, John Counts and Waldean Rapp. Reverend Glenn Bender is associated with the First Congregational Church; John Counts is with Bickel & Byers; and Dr. Waldean Rapp is with Cargill.

OFF & RUNNIN'

Bill Pohorsky, Chairman of the Group #5 Business Affairs and "International" Relations Committee, reports that all seven of the local high schools have been contacted and administrators have shown enthusiastic interest in the Downtown KIWANIS' "Citizenship Essay Contest." Initial screening and judging will be done at the schools. Judging of the seven finalists, winners in the seven schools, will be handled by a committee of three government and public officials. The essays are to be between 500 and 750 words in length on the subject "The Role of Individual Self-Regulation and Personal Responsibility in a Free Society." Bill has a sheet available with additional details. Give him a call to learn more about the project.

LAST WEEK

Ed Colton gave us a few thoughts from the Omaha Mid-Winter Conference. Only he and Albert Gee from the Downtown KIWANIS attended. The Marion Club did much better, sending a delegation of nine to the affair! Albert sat in on programs covering the K Club (High School) and Circle K (College) Club activities. There seems to be a feeling among these young people that the adult KIWANIS are neglecting them and not taking the proper interest in the youth organizations. Sounds like a rather serious charge. My limited experience with KIWANIS would indicate that the Downtown KIWANIS go all out to lend a hand to the young people. But we had better resolve we are not going to drop the ball--if we get involved in K Club or Circle K activities!

Ed attended general sessions and meetings set up for the officers. He admits he had a bit of thinking time, while waiting for programmed activities to take place--and thus spent some time making notes which led to his recommendations for the year immediately ahead! Ed reported that one of the most interesting sessions was that which featured Berkley Bedell, President of Berkley & Company, Spirit Lake, Iowa--manufacturers of fishing lines, leaders, reels, etc. Bedell recently found himself in the enviable position of having no need or desire to make more money! He decided that from here on out he will work for programs which benefit his employees and the community. Apparently, he is currently spending most of his time travelling, telling the story and encouraging others in similar financial positions to follow his example. Wonder how much time he spends fishing? Free tackle and all!

Iowa
a place to grow

January 28, 1972
Vern Perry, Editor

THIS WEEK---February 2, 1972

Roosevelt Hotel----Jerry Dina, Chief Architect of the IE Tower providing us with a slide and verbal report on the progress of the Tower. Hard to imagine how the workmen can make any "progress" in this subzero weather---and it has been surprising to me the speed with which the structure has risen into the blue, with what appears to be a rather small crew. Admit I don't understand the methods of construction, especially how the huge machines are used to build a monument such as the IE Tower. Will be interesting to hear from an authority and see slides which show how the job has been accomplished.

FEBRUARY PROGRAMS

February 9--- Barron Bremner, Athletic Director at Coe College (Dick Landis advises that while at U of Iowa, Bremner was Captain of Evie's Mau Mau Squad.)

February 16-- Downtown KIWANIAN Albert Gee showing films to illustrate KIWANIAN Key Club and Circle K organization and activities. Albert is doing a thorough investigation prior to making recommendations to the board concerning Downtown KIWANIS' participation in such programs for young people of the area.)

February 23-- Father Alexander George telling us like it is behind the curtain in Hungary. Father George recently returned from an extended visit to his homeland.

Program Chairman Landis is still working on March, but he has a couple firmed up---- State Senator John Walsh and Paul Franzenburg have agreed to have potluck with us on separate Wednesday noons.

WIN A FEW/LOSE A FEW

It was with mixed emotions that I read in Thursday's Gazette that".....Larry R. Wichmann has been assigned plant superintendent at Quaker's plant in Shiremanstown Pa." Hate to see you go, Larry----but best of luck in your new assignment. Hope you will have an opportunity to carry on with your KIWANIS' activities in the new location.

BOARD DECISIONS

None! Understand, after a "spirited" discussion at a special Board Meeting last Wednesday, it was agreed that the points under discussion---a change in Bulletin format and publishing schedule and plan to help pay the expenses of two young men who attended the Omaha Mid-Winter KIWANIS' Conference---were tabled for further consideration and will be voted upon at the next Board meeting, early in February. (You may have noted that I have a personal interest in the Bulletin plan. Looks like I'll have to fight the battle a bit longer.)

LAST WEEK

I wasn't there. Business in Ames and Des Moines called. Sorry!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

February 4, 1972
Vern Perry, Editor

THIS WEEK---February 9, 1972

Roosevelt Hotel---Barron Bremner, Athletic Director, Coe College letting us in on some of the challenges, satisfactions and frustrations of his first year at Coe. In addition to establishing a fine reputation as football line and wrestling coach during some ten years at Cornell College---we understand that Bremner is a fine speaker. While he doesn't use the language he used as captain in the Mau Mau huddle at Iowa, it is said that he finds words to express his thoughts which leave little to the imagination. Should be a good one! Hope we can match or improve on the attendance of last week when eight tables were filled and it was necessary to round up extra chairs.

BOARD MEETING

Tuesday Noon, February 8, Roosevelt Hotel. President Colton asks that board members make every effort to attend. Decisions to be made; plans and policies to be discussed-----and, if you members not currently on the board haven't passed your opinions on the "President's Philosophy" to Ed -- Please do so. He has stuck his neck out, hoping to arouse the membership to the point of protest or approval of his plan for the year. How about the matter of a donation vs money-making projects, for example? And some of the other points Ed expressed at the Wednesday meeting a couple of weeks ago? He wants your comments.

PIG PROFITS

"The Pig" gave birth to \$11.40 last week. A reasonable litter, but some of you "agriculturist" members must have some ideas which would increase the output while maintaining the input at the same level!

OLYMPICS

Seems like an appropriate time to begin making plans for the Service Club Olympics-----Winter Olympics on TV, et al. Al Bickel is Chairman of the Downtown KIWANIS Olympics' Committee. He'll be needing your support and participation. Don't let him down! The Downtown KIWANIS made a good showing in the '71 Olympics. Every reason to believe we can do even better in '72.

LUCKY FELLOWS

The Secretary has reported receiving notice of Downtown KIWANIS members attending meetings in Florida, and other places far removed from the snow and wintry blasts of Iowa. In fact, it all sounded so good, that Joe Power took off on a vacation!

LAST WEEK

That was close! The 21-story IE Tower slide presentation and progress report discussion by Chief Architect Jerry Dina preceded by only one day---the Gazette's story announcing the plan for a 22-story building to be built just two blocks north of the IE Tower. But anyway, it will be a while before a picture story of the 22-story building will be available! Understand that Jerry Dina did an excellent job showing how it was done, that is, the building from the enormous footings to that pillar in the sky which is presently overshadowing all of downtown C.R. (Have to apologize again to you fellows who weren't able to attend last Wednesday's meeting. I can't fill you in on the details, I was out of town too. Enjoy doing the Bulletin when I feel I am doing my best----but don't feel right when doing less!)

a place to grow

THIS WEEK---February 16, 1972

February 11, 1972
Vern Perry, Editor

Roosevelt Hotel---Circle K and Key Club, a review of the two youth organizations, their purposes---and our responsibilities to them, should the Downtown KIWANIS decide to help organize and sponsor such a club. Albert Gee, Vice Chairman of the Youth Activities Committee, has been gathering information on the subject and will introduce the program. Ed Colton and Bill Jameson will give us some background and Albert will present a film strip "Enrich Man's Existence" and other information as made available by the KIWANIS organization. The Youth Activities Committee and board are trying to decide whether we should get involved. (That probably is a poor choice of words. It has been said by many that our current problem is that most of us tend to . . . "not want to get involved.") Of prime concern are the Downtown KIWANIS members sincerely interested in taking on the responsibility of the sponsorship of a Circle K or Key Club and, will each member do his part to make it go? (Will you take your turn meeting with the young people?) There is a changing scene with new faces and officers. It is said that Key Club members are usually involved for two years or less; Circle K members from two to three years. The sponsoring organization must provide the continuity. What do you think? Albert Gee, the Youth Committee and Board are looking for a show of hands. The program next week will help you make up your mind.

OLYMPICS

First round March 5; second March 12; final round and dinner March 14. Al Bickel is the Downtown KIWANIS Olympics Committee Chairman. You have a month to get in shape. Will take some discipline and hard training!

BOARD MEETING

7:00 A.M., Thursday February 17th, Bishop's Cafeteria, downtown. You know the reason---a lot of business that didn't get attended to last Tuesday.

DUES INCREASE

The members of the Downtown KIWANIS were advised by President Colton last Wednesday that the Board has passed a resolution recommending an increase in dues effective April 1, 1972. Approval by two-thirds of the members is required. The resolution will be voted upon Wednesday, February 23. (A letter explaining why the Board is recommending such action will be mailed to members currently living outside the Cedar Rapids area---giving them an opportunity to vote.) Treasurer Ken Holvenstot verbally discussed the matter from the podium at last Wednesday's meeting.

LAST WEEK

After listening to Coe Athletic Director Barron Bremner last Wednesday---I'm convinced. Coe is going to lead the field in whatever collegiate sport you name. You pick one. Bremner convinced me that Coe will be leading the pack before I can get my binoculars refocused! I'm not very well informed concerning his ability with a football or on the wrestling mat, but he certainly has the agility, ability and confidence of a pro when it comes to after-luncheon speaking! But Dick Landis recommends avoiding him like the plague when his wrestling team is participating in a match. His coaching from the bench is with gestures---which tend to become so violent that those sitting near him take more abuse than the participants on the mat!

Barron Bremner came to Coe after more than 12 years at Cornell, where he brought ten Conference Wrestling Championships to that college in twelve years of coaching. In the off season he coached tennis and was Assistant Football Coach. (I can see him in all of those rolls except tennis. Somehow I just can't visualize Barron Bremner flitting around on the tennis court! He's big!)

Bremner said he has everything he needs at Coe except the facilities. But the facilities available (namely the Field House) are being given a face lifting---new lights, a paint job, rearrangement of seating, etc. I got the impression that he would appreciate a swimming pool so they wouldn't have to use the Bender Pool, and a stadium so they wouldn't have to try to schedule the Coe games around the high school games in Kingston Stadium---but he isn't going to sit and wait for an "angel" to come along. He and his staff plan to win some trophies while they are waiting. Oh yes, he said that they are even going to upgrade the sound system in the gym---so you will "recognize the tune" when the band plays the Star Spangled Banner! Bremner told several good stories---every one of them clean---but they weren't one-liners. If you weren't in attendance last week, ask someone who was to repeat Barron Bremner's alligator story! It bears repeating!

THIS WEEK-----February 23, 1972

February 18, 1972
Vern Perry, Editor

Roosevelt Hotel-----Father Alexander George, Pastor of St. John's Eastern Orthodox Church, Cedar Rapids, telling us how it is behind the Iron Curtain. Father George was born in Hungary. He visited his homeland during the Christmas season 1971. An unusual opportunity to hear opinions of one who knew the country before the Russians exerted their "influence" on government, and the way of life of the people in that country. And as an added incentive-----the committee groups will sit together at the various roundtables. This will be the regular monthly meeting of the committees. Plan to chew over your committee's planned activities and problems while eating your lunch-----it will help take your mind off the food!

EYE-OPENER

Board Meeting, 7:00 A.M. Seemed terribly early-----but some nine of the fourteen members of the Board made it to Bishop's Thursday morning. There is a movement afoot to have the Board meeting at Bishop's as a regular thing. Both dawn and noon schedules are being considered. If you fellows who are members of the Board but didn't make it to last Thursday's session have a preference-----give President Colton the word. A change is definitely in the making-----place for sure, and possibly schedule.

PITCH

Brush off your sales pitch you "butchers." The Board decided during Thursday's meeting that the Downtown KIWANIS will sell something come Band Festival Saturday next spring. The Jaycees will be contacted to assure that we don't conflict with any of their planned activities-----as the show is really theirs-----and a city permit will be obtained to make everything legal. Jim Luhr's carefully documented recommendation to the Board made the plan much more palatable than previous verbal discussion on the same subject. And because Bill Jameson had been so verbose on the subject of a selling project, Ed Colton asked him to be Chairman. (Will have to be fair to Bill. He practically volunteered for the job. With his enthusiasm, how can it help but be a success?) Candy will probably be hawked. Jim Luhrs investigated and found a source which will supply the wrapped candy at a price which will allow a good margin of profit for the Downtown KIWANIS. It is generally agreed, however, that the most important benefit to accrue from the project is bound to be the fellowship generated before and during the wingding -- but one can't be against making a few bucks!

MARCH PROGRAMS

March 1-----Some of the best programs are those put on by Downtown KIWANIS. Here's another you can bet on. Bill Pohorsky is going to brief us on what's going on and planned for downtown Cedar Rapids.
March 8-----Paul Franzensburg, former State Treasurer and Democratic gubernatorial candidate.
March 15-----Committee meetings.
March 22-----To Be ANN.
March 29-----E. A. Hayes, of Mt. Pleasant, Chairman of the Iowa Development Commission.

ANNIVERSARY

William Schneider-----February 16, 1955

LAST WEEK

Albert Gee reports questionnaire results thus far indicate the Downtown KIWANIS are very much in favor of proceeding with the Key/Circle K club programs. Of the 32 who filled out their questionnaires at the Wednesday meeting, 27 indicated they will do whatever is required of them to help get the youth organization(s) started and participate to the extent necessary to keep the clubs going. You fellows who didn't attend last week's meeting are receiving the questionnaire with this copy of the Bulletin. Albert asks that you fill in the blanks and return them to him as soon as possible. (Albert and Bill Jameson did an excellent job presenting the story-----but frankly, the KIWANIS International films didn't do a thing for me. Albert says it is because I only sat through them once. He says each time one sees and hears them they have more meaning. I'll take his word for it! Admittedly the films were prepared to sell Circle K to youth----not old fogies like me.)

Iowa

a place to grow

February 25, 1972

THIS WEEK ----- March 1, 1972

Roosevelt Hotel-----Downtown KIWANIAN Bill Pohorsky, giving us the lowdown on the downtown. Haven't you wondered if we shouldn't fence in some of those vacant lots and raise something? And how about some of those places where we still have buildings but no occupants? Not that Cedar Rapids is so much different than many other towns and cities, but we taxpayers get a bit concerned. But it appears to be mostly a matter of timing. The open spaces do seem to gradually fill in. Tell us all we need is patience and faith, Bill!

WE DID IT!

An increase in Downtown KIWANIS' dues was voted last Wednesday. The increase will be effective April 1, 1972. Treasurer Ken Holvenstot points out that the increase in dues is not going to solve all of our financial problems. We will still have to earn some 400 bucks over and above the income from gumball machines and dues to cover the expenditures budgeted. The one project that I am aware of is the Band Festival Day sale. Others may be needed. If you have any other money-seeking projects up your sleeve which could be handled by a bunch of enthusiastic Downtown KIWANIANS, pass the ideas on to Jim Luhrs.

HELP!

Olympics Chairman Al Bickel still needs some athletes---either active or armchair type---to fill out his contingent of participants in the Service Club Olympics. Give him a call and help the club. You don't have to be an expert to make the team!

NEW BOARD MEMBER

Stephen Root was elected to the Downtown KIWANIS' Board to fill the vacancy created by Larry Wichmann's leaving CR for a new Quaker Oats assignment.

LAST WEEK

Undoubtedly most of us really don't appreciate how fortunate we are to have been born in these United States. And most of us don't have the "opportunity" to see or experience life under a totalitarian or communist form of government. Our last week's speaker, Monsignor Alexander George, Pastor St. John's Eastern Orthodox Church, Cedar Rapids, has seen and experienced the rigors of life under Hitler during the period just before and during World War II----and during a recent visit to Yugoslavia and Hungary, observed life under the Soviet brand of communism. He says he has no desire to ever go back to either eastern or western Europe. Obviously, the United States of America looks good to him and he is glad that his father said shortly after W.W.II----"We must find a way to get to America."

Father George was born in 1937 in Hungary, just two years before the German army moved in. The family moved to Austria where they lived until 1945 when they came to this country. Father George's father was drafted into the German army as an interpreter. While his lot could have been much worse, even as an officer he saw all that he wanted to see of the German Nazi and Russian Communistic ways of life. He was captured by the Allies and six months later was able to arrange to bring his family to this country----they landed at Hoboken, New Jersey, not speaking or understanding a word of English.

Father George did his undergraduate work at Columbia University and later attended The Eastern Orthodox Seminary near Columbia. He then spent six years in missionary work in Brazil before returning to the United States to continue with a parish assignment. Like I warned you last week----you missed an unusual opportunity if you didn't make it to the meeting last Wednesday. Father George's time with us was much too short. Maybe he'll come back again.

THIS WEEK - March 8, 1972

Roosevelt Hotel-----Paul Franzenburg, former Iowa State Treasurer and 1972 contender for the position of Governor of Iowa. A political reporter for the Des Moines Register feels ".....he can be a personable campaigner. He should be able to run a strong race against other Democratic contenders who are attracted by 1972 political prospects."

Paul Franzenburg was born in Conrad, Iowa, 56 years ago. He attended schools in that community just north of Marshalltown and joined the family-founded meat processing firm Franzenburg Provision Company in 1938. Franzenburg was elected Treasurer of the State of Iowa November 3, 1964, and re-elected in 1966. In 1968, he ran for governor against Robert Ray and was defeated.

A few other bits from the Cedar Rapids Library files-----Paul Franzenburg is married and has three children, one daughter and two sons. He is a former Vice Chairman of the Iowa Development Commission; and a former member of the Governor's Commission on State and Local Government; was instrumental in organizing and funding the James Van Allen Scholarship Fund.

Don't know what his topic will be-----but suspect it may have a few political overtones! Like Will Rogers, all I know is what I read in the papers-----but it appears to me that Paul Franzenburg is out to "get" whoever may appear to be the front runner in the up-coming race-for-the-state-house! A good opportunity for all of us to get a close-up look at one of the prime contenders for that headache beneath the gold dome.

INTERCLUB

Central City, 6:30 P.M., Tuesday, March 7. Give Rich Chandler a call for details.

OLYMPICS

1st Round-----Central YMCA, 1:30 P.M., Sunday, March 5. Four events, all going on at the same time-----Bridge & chess: Mott Room; Badminton: West Gymnasium; Eightball Pool: Health Club.

Preliminaries in the remaining events will be held Sunday, March 12, with the final program March 14. According to a report in a recent Gazette, 14 Service Clubs have entered the 1972 competition. The Thursday Noon Optimists won the Olympics last year by a one point margin!

LAST WEEK

Understand that Bill Pohorsky and Bob Armstrong did an excellent job presenting the Downtown Cedar Rapids story to the Club last week. To those of you who missed last Wednesday's meeting--with or without good reason--I sympathize. But that is about all I can do for you. (I was in Ames and Des Moines chasing some of that illusive commodity known as "business.") I did ask President Colton a few leading questions and between blasts on a few unrelated subjects, gleaned Ed's feeling that downtown Cedar Rapids has a bright future. With-----the vacant block between the Roosevelt Hotel and 1st Street East to be filled in with previously announced bank/shopping area/apartments; a pedestrian mall being seriously considered for 2nd Street East; a new parking ramp under construction at 4th Street and 3rd Avenue East; the Cedar Valley Expressway route problems getting ironed out; and two other major projects being given serious study and consideration---diagonal route 549 thru Cedar Rapids to Marion and beyond and the one that Mayor Don Canney told us he didn't want to discuss until he was sure the financing could be solved, the Civic Center(Waterloo's plan for the building and initial private financing of such a Center is being carefully watched to determine if the same method might be used in Cedar Rapids). I'm sincerely sorry I couldn't attend last week's meeting. Not so much so that I could have given you a better report---but I'm interested and missed an opportunity to get the story from the---from the one who knows, Bill Pohorsky!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

IOWA

a place to grow

March 10, 1972

Vern Perry, Editor

LENTEN LUNCH

The KIWANIS' Support of Churches Committee reminds KIWANIANS of the ecumenical lenten luncheons at the Central YMCA each Friday during lent. This Friday the speaker will be Professor Harold Berhard of the University of Northern Iowa.

THIS WEEK

NO REGULAR MEETING WEDNESDAY NOON. Tuesday evening, 5:15 to 7:00 P.M., Pancakes and Sausage at the YMCA. The final event of the Service Club Olympics. Try to make it. You'll like it! But if you are sure that you won't ---you don't have to eat Pancakes and Sausage---just turn in a ticket with your name on it. If you have bought a ticket and find you won't be able to attend Tuesday evening, sign the ticket and give it to one of the Downtown K's to turn in so the Club will get credit for it. We need every point we can muster!

And while it won't help the Downtown KIWANIS win the Olympics, as an alternate to the ticket/pancake routine, sign in Wednesday noon in the downstairs Roosevelt Hotel lobby to assure credit for attendance---and possibly there will be enough of the brothers around the hotel at the usual time (like those who won't remember the Olympics YMCA affair) to make up a "roundtable". And for the early risers-----Steve Root is leading a prayer breakfast at Downtown Bishop's at 7:15 Tuesday morning. What other club offers such variety?

BOARD MEETING

Tuesday Noon, March 21, 1972-----Downtown Bishop's. President Colton suggests arriving 15 or 20 minutes early to assure that you are thru the line by 12:00.

OFF COLOR

Returned from far away places with "midsummer" tans---Hugh DeWees, Burt Hynden, Joe Power and Jim Loyd. Isn't it disgusting how healthy they look?

CC INTERCLUB

Rick Chandler, Adolph Helm, Joe Power and Norril Rogness visited the Central City KIWANIS last Tuesday evening. Understand the Little Chef outdid himself feeding the Club members and visitors generous portions of tastily prepared beef and -----.

MEANWHILE

Down at the Embassy Club, four Downtown KIWANIANS spent Tuesday evening with four teachers from Linn-Mar High School discussing the philosophies of life and factors which influence the formulation of these philosophies. The affair was arranged by Ed Colton. Linn-Mar teachers attending were Fred Easker, Leon Leek, Larry Schroeder and Byron Thompson, the Social Science Team-Teaching Staff from that school.

Ed Colton recently appeared before this class at Linn-Mar and apparently came away with the feeling that the teachers, as well as the students, were groping for answers to many of the problems related to the course being taught---and to life in general. He suggested to the teachers that it might be interesting to get together over dinner some evening and kick around some of the ideas and philosophies. They took him up on it. Ed hopes to continue the "dialogue" on a monthly basis with a basic goal of trying to help by bringing academic and the real worlds together for regular "bull sessions". The idea appears to have merit and potential. I haven't described Ed's goals very well. Ask him about it. He will give it to you with the old one-two punch---in his own inimitable manner! Shouldn't you be involved? It was an interesting evening. Downtown KIWANIANS in attendance besides Ed, were John Counts, Albert Gee and your editor.

LAST WEEK

I have run out of time. And space. And besides last Wednesday's Gazette covered Paul Franzenburg's "Pollution Pitch" to the Downtown KIWANIS rather well. So---just a few thoughts from my notes. Dick Landis introduced Franzenburg saying that Paul is sometimes referred to as the Music Man of Grundy County; apparently he is an accomplished musician and composer. I was impressed with his personality and polish as a luncheon speaker. Speaking on air pollution, Franzenburg said that, not even in Iowa can one "On a Clear Day---See Forever"---that at times the pollution over Iowa ranks with that over industrial centers such as Chicago---we can no longer look down our noses at Los Angeles---even Cedar Rapids, Des Moines and Conrad, Iowa, have their smoggy days---air pollution is interfering with the growth of our natural air purifiers, trees and other plants---we have waited too long, but it is not too late, but we had better get with it, and it is going to be expensive---we tend to blame industry, but it has been proven that 60% to 78% of air pollution originates with automobile exhaust---Cummins Diesel has just announced a non-polluting engine---bus shuttle service can help reduce the number of automobiles required---Iowa City has proven it with its University shuttle which is now carrying 8,000 passengers per day; and the I.C. Transit System is reaping benefits with shuttle passengers fed into the System increasing Transit's average number of riders from 5,000 to 7,000 per day---Franzenburg concentrated on air pollution in his talk to us last Wednesday but he pointed out that water and soil pollution are as great or greater problems. He says, "let's do something". How about starting the ball rolling with funding like was applied to REA during the thirties? He predicts that an aggressive anti-pollution program could lead to industrial growth equal or exceeding that attributable to the automobile, radio and television---Just like I've said before, I don't have time to write a short report!

FIFTY BUCKS APIECE

The KIWANIS District Office has acknowledged the receipt of \$50.00 each for Circle K and the Key Club from the Downtown KIWANIS. The money is ear-marked to help defray the expenses of the young officers of these clubs who incur expenses they can ill afford during the performance of the duties of their K' offices.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

THIS WEEK---March 22, 1972

March 17, 1972

Roosevelt Hotel---Reverend Stephen R. Root, Jr., St. James Methodist Church and fellow Downtown KIWANIAN bringing us a message appropriate to the Easter Season. (I got quite a hazing from members of the Board as a result to my trying to give you the schedule of events last week. I blew it! Steve had two prayer breakfasts at Bishop's as a result of my bungling. Sorry about that Steve, and others who may have been inconvenienced.

HE'S GONE

Leland Phillips, one of our newest members, died last week. He was only 52. He was owner of the Phillips Kirby Company.

PREXY VISIT

KIWANIS International President Wes H. Bartlett is scheduled to visit the KIWANIS Club at Ames, Iowa, on April 6. Understand the Interclub Committee is planning to promote a trip to Ames for an evening meeting with the President. Details will be available latter from Norril Rogness and cohorts.

ID BOOK

Understand that Jim Loyd is preparing a questionnaire for distribution to gather information for the Downtown KIWANIS' I.D. Book. Bill Jameson plans to take pictures again---one of these Wednesdays.

NO ANESTHETIC

If you have been a bit lax about KIWANIS meeting attendance---you may hear from Clarence Fenner. Presdent Colton has asked Doc to wield the needle, in an unprofessional manner, to "encourage" those who habitually miss the Wednesday noon meeting. In addition, there are plans afoot to see that good attendance is given proper recognition.

DUES

Just to be sure you understand----Effective April 1, 1972, the Downtown KIWANIS' dues will become \$60.00 per year. Four bucks of that will go to the Marshall Fund to help support the Experiment in International Living.

\$\$\$\$\$\$\$

Bill Jameson and Jim Luhrs will co-chair the Downtown KIWANIS Candy Sale which is planned as a Club money making project on Band Festival Saturday. As I understand the arrangement--Bill is responsible for rounding up and scheduling the salesmen and Jim is in charge of arrangements and promotion.

K-PINS

Joe Power is ordering KIWANIS' Lapel Pins twice the size of those currently being displayed by most Downtown KIWANIANs. If you would like to have a pin that even your bifocal-wearing friends can see - see Joe. The price is \$2.50.

INTERNATIONAL

Atlantic City, June 18 thru 21----Sea, Sand and Sunshine-----The KIWANIS' International Convention. Two delegates and two alternates will be selected from the Downtown KIWANIS officers and board.

DRUGMOBILE

Ed Colton advises that the Presidents of the KIWANIS Clubs in the area will meet for breakfast Wednesday, March 22 to discuss the utilization of the oft-mentioned Drugmobile. The educational vehicle will be in the vicinity April 11 thru April 20. Ed will know after the 22nd meeting which days will be allocated to the Downtown KIWANIS.

32 YEARS

C. R. Fahrney joined KIWANIS March 6, 1940. Appears to have agreed with him. Appreciate his sincere and friendly welcome as we arrive at the Roosevelt each Wednesday noon.

IOWA
a place to grow

March 24, 1972
Vern Perry, Editor

NEXT WEEK-----March 29, 1972

Roosevelt Hotel-----Ernest A. Hayes, Chairman of the Iowa Development Commission, giving us the lowdown on "developments", present and future. Mr. Hayes lives in and is a driving force behind the industrial growth of aggressive and progressive Mt. Pleasant, Iowa. He has been a member of the Commission for nine years; is Chairman of the Board of Iowa Wesleyan College; Chairman of the Henry County Memorial Hospital; on the Iowa Blue Cross Board; Vice Chairman of Iowans for Better Justice; State Chairman of Radio Free Europe; member of the Republican National Finance Committee and was State Finance Chairman from 1961 to 1969. And what's more-----Mr. Hayes was the first President of the Mt. Pleasant KIWANIS Club and has a record of 26 years of perfect attendance!

AMES INTERCLUB-----April 6, 1972

Thursday, April 6, 1972, the two Ames KIWANIS Clubs are hosting the visit of International President Wes Bartlett. The place---Iowa State University Memorial Union. At 5:30 there will be a reception for President Bartlett in the Campanile Room of the Union. At 6:30 dinner will be served in the Sun Room of the Union.

The Downtown KIWANIS are planning to hire a bus and make a large size interclub trip to Ames. The bus will leave Cedar Rapids at 4:00 P.M. If you haven't made your reservation, do it immediately thru the Interclub Committee. Rick Chandler is handling arrangements. He needs your support to make a success of the affair. Give him a call or contact him at the next Wednesday noon meeting.

NEW MEMBERS

Any prospects: Secretary Joe Power has the "be prepared" packets consisting of new membership procedure and the form "Proposal for Membership". Joe suggests each Downtown KIWANIAN carry the packet with him at all times so he can take advantage of every opportunity to sign up a new one.

ATTENDANCE

The Downtown KIWANIS did themselves proud during February. Can you imagine 70% attendance? Recognition of individuals for outstanding attendance-----coming up soon!

OLYMPICS

While the Downtown KIWANIS didn't do too well in the overall scoring at the recent Service Club Olympics (10th), individuals were in there pitching. But where we really stood out was the attendance at the Pancake Supper. 53 members attended (or sent their tickets)!

LAST WEEK

Would be pretentious of me----possibly even sacrilegious-----to try to para-phrase Downtown KIWANIAN Rev. Steve Root's thought-provoking Easter message. I sincerely enjoyed Steve's interpretation and down-to-earth presentation of facts from that oldest of history books. He gave us a spiritual message applicable to every day of our lives----not just during the season of Lent.

THIS WEEK -----April 5, 1972

March 31, 1972

Vern Perry, Editor

Roosevelt Hotel---Downtown KIWANIAN Major Eugene Adney discussing the Salvation Army, its goals, plans for the future and achievements.

AMES INTERCLUB-----April 6, 1972

If you can make it-----give Rick Chandler or Ed Colton a call. Remember----KIWANIS International President Wes Bartlett, a dinner meeting at the Iowa State University Memorial Union Sun Room, 6:30 P.M. A contingent is planning to go, but there is room for you!

CHAIRMAN REPORTS

Committee Chairman-----Secretary Power reminds you that your monthly reports are due.

OUT-MANEUVERED

Last week I blamed John Palmer for absconding with the list of visitors and anniversaries. This week it disappeared again! Possibly I owe John an apology! Hesitate to say that M.C. Jim Downing walked off with the list this week! I make notes but depend upon the sheet for the spelling of names. I do remember that Bob Rush joined KIWANIS in 1965. And that we had quite a number of visitors last week---but their names?

LAST WEEK

Did you know that 125 out of the USA's top corporations have facilities in Iowa? That in 1900, Iowa was the 10th most populous state and that by 1964 it had slipped to 25th? That a Trade Mission from Iowa will spend three weeks in Canada during May or June? That the Iowa Development Commission will hold its May meeting in the Cedar Rapids/Iowa City area, and that you are invited to participate? That currently the income from industry in Iowa is 4 times that from agriculture? That Cedar Rapids exports more goods per capita than any other city in the USA? That tourism brings \$600 million into Iowa per year? That the I-80 intersection at Newton, Iowa employs more people than any other industry or business in Newton, except Maytag? That 86,000 people visited Lake Rathburn last Labor Day, even though the facilities are only in the early stages of development? That 225,000 people visited the Old Thresher's Convention in Mt. Pleasant last year?

I didn't dredge all of these facts up out of the encyclopedia! Our luncheon speaker last week, Iowa Development Commission Chairman Ernest Hayes, gave us these and many more! As Bill Jameson said as he introduced Hayes, "The Chairman of the Development Commission, is a shining example of an Iowa entrepreneur." Having help develop industry and business in Mt. Pleasant, he has gone on to sell Iowa to the world---with considerable success! However, I was a bit surprised to find that Hayes isn't the hard-sell pitchman that one might expect. He is a rather soft-spoken individual, the type who immediately gains your ear and your confidence. Not a "confidence man" but a confident salesman who knows he has a fine product to sell. An interesting subject. An interesting speaker. He covered a lot of ground. I have only given you a few bits.

DRUGMOBILE---April 13/14/15, 1972

President Ed Colton advises that the KIWANIS DRUGMOBILE will be in the Cedar Rapids/Marion area on April 13, 14, and 15. Volunteers to man the educational vehicle will be needed. More details later.

GOLD PINS

Secretary Joe Power has six new gold KIWANIS' pins. They are the same size as the pins that most of us wear, not twice as big----but in gold! Sorry I led you astray on size. But the price is only \$3.00. See Joe.

FOOD FAIR

Our last week's speaker feels strongly that the Iowa exhibition being discussed for 1976, as part of the national anniversary celebration, will be worth every dime the taxpayers would have to put up. The "World Food Fair" plan has been presented to the national committee responsible for the celebration and Ernest Hayes advises it found ready acceptance. Apparently the DM Register and Tribune went all out to help prepare the presentation-----but has not editorially shown the same enthusiasm in the newspaper! Hayes says he really expects legislature support next session. It came close when voted on recently. Hayes estimates that the Fair will require \$8 to \$10 million tax funds thru appropriation but he sees the benefits far outstripping the cost. Most of the cost will be borne by agriculture and industry.

THIS WEEK-----April 12, 1972

Roosevelt Hotel---Warden Lou Brewer, Ft. Madison, literally, giving us the "inside story". From what we read, it would appear that the prison warden has to be a versatile fellow---a hard-nosed disciplinarian; and understanding sociologist; a diplomat and a fearless negotiator. How can one man be all of these? What type of man would be willing to accept a job as warden of a prison? I'm curious! Should be an interesting program.

BOARD MEETING---Tuesday, April 11

Officers, Board Members and Downtown KIWANIANS----The Board will meet Tuesday Noon, April 11, 1972, at Downtown Bishop's. The turnout last month was a bit slim. Hope you can make it next Tuesday.

HOLD IT!

Bill Jameson will be manning the shutter again next Wednesday. Only a few more Downtown KIWANIANS to shoot. Are you included in the following list? Or would you like Bill to try to improve on that last mug shot? If so step forward next Wednesday noon. We think the following have thus far avoided getting stood up----Joe Ainsworth, Jerry Banes, Al Bickel, James Bowker, Robert Butterfield, James Corell, James Downing, Trigger-man William Jameson, John Kennedy, Ernest Kosek, Charles Loomis, Horace McGrath, Robert Nelson, Kenneth Rudd, George Seyfer and Grant Williams. In case you have forgotten why we are taking the pictures----An identification book is planned with a page for each member (picture and brief autobiographical sketch), the sheets will be bound in a loose-leaf binder and distributed to each Downtown KIWANIAN to use as he sees fit. Jim Loyd will carry the ball after Jameson gets all of the pictures taken. So---step up and smile, or---step up and look natural!

DRUGMOBILE---April 13, 14, 15

The KIWANIS' educational vehicle, the Drugmobile, will be in Cedar Rapids/Marion next Thursday, Friday and Saturday. Joe Enzler visited us last Wednesday noon, gave us the story and recruited volunteers to help man the display. Each volunteer is asked to spend 1½ hours guiding the visitors, handing out literature and assuring that the light-fingered ones don't walk off with the merchandise. If you didn't have an opportunity to sign up, give Joe Enzler a call at the store or at home. Thursday the black bus will be at Grant Wood School; Friday at Grant School and Saturday at Lindale Plaza. The Drugmobile's next stop is Waterloo.

LAST WEEK

Downtown KIWANIAN Eugene Adney would like to see the Salvation Army put out of business! Sounds a bit strange coming from the Major, doesn't it? But it really isn't such an unusual statement when he explains----as he did last Wednesday----that most of the recipients of help from the Salvation Army are those who cannot seem to find a slot in society as presently constituted. If there weren't so many "who do not fit in", Gene and fellow Army staff members would be hard put to keep busy. (Appears you won't have to be worried about being unemployed, Gene. Looks like a bumper crop of problems in the making in this permissive society of ours!)

Eugene Adney has been in the Salvation Army for 20 years. He grew up in Beloit, Wisconsin and took his ministerial training in the Salvation Army school in Chicago. Gene is currently responsible for the Cedar Rapids Salvation Army's church and youth and social programs. Downtown KIWANIAN John Kimmons operates the self-supporting business known as the Men's Social Service Center and Red Shield stores.

The Salvation Army was started in 1865 by William Booth, who left the Methodist ministry to preach in the slums of London. The Reverend Booth set up Christian Mission Centers. In 1878, Booth adopted the name Salvation Army. There are three types of members: Commissioned Officers who are ordained ministers devoting their lives to the Army's work; Soldiers who are members of the congregation and comprise the local Corps; Adherents, persons of good standing and character who consider the Salvation Army their place of worship. Today the Salvation Army serves 71 countries, preaches in 146 languages, and maintains 19,599 religious/charitable centers.

Funding for capital expenditures such as the Social Service Center and more recently, the purchase of the old Fillmore School property, is by legacy---money willed to the Salvation Army for that purpose. Funds to carry on the day-to-day activities of the Army come primarily from UCS. There is much more! Ask Major Adney or Major Kimmons!

April 14, 1972

THIS WEEK---April 19, 1972

Roosevelt Hotel---Don Buchheister, General Manager of the Cedar Rapids Cardinals Baseball Team giving us the latest dope on our team and the activities planned for the Veteran's Memorial Stadium during the 1972 season. Thursday, April 20, the day after Don gives us the pitch, the team will arrive in CR. Their first game, April 22, is scheduled for Waterloo. The first home games will be Monday and Tuesday, April 24 and 25 against Waterloo. While the team doesn't appear to have been setting-the-world-on-fire in spring training down in Florida, probably all they need is a change of climate, weather, scenery---or something. Don will tell us. If you haven't bought your book of tickets, see Russ Mueller or one of the other members of the Cardinal Board.

KEY/CIRCLE K

Albert Gee reports that the committee responsible for assessing the extent of local interest in organizing KIWANIS' Circle K and Key Clubs plans to spend the next few months contacting the school authorities to determine whether it should be go or no-go.

BY-LAWS CHANGE

Two weeks from now, you will be asked to vote on a change in the Kiwanis' By-Laws. The change has to do with committee organization and structure. It appears new arrangement is similar to what President Ed has implemented this year in our club. Note the sheet enclosed with this Bulletin.

AMES INTERCLUB

Five hundred KIWANIANS attended the meeting in the Memorial Union on the Iowa State University campus April 6 to honor International President Wes Bartlett. Four of them were Downtown KIWANIANS! Not a very good showing----but at least we got credit for an interclub!

LAST WEEK

Warden Lou Brewer indicated that while the number of inmates in the Fort Madison facility has been reduced by 50% since he took over, his problems have increased. The hard core criminals are still behind the bars. And while he agrees that reform in correctional and rehabilitation programs is long overdue, the tax-paid attorneys of OEO and organized groups are doing their utmost to keep the pot boiling and the wardens on the hot seat. Brewer feels that the general permissiveness and lack of family control which has become so prevalent in recent years is a big factor in the crime increase and criminal tendencies of younger members of our society. (Brewer doesn't feel Dr. Spock is getting as many lumps as he deserves!) The Warden sees half-way houses and regional-jails/correctional centers as a step in the right direction to separate and rehabilitate those who can be changed from those who can't be changed. (Sounds like it was an excellent program. I was out of town. The above came from notes taken by Ed Colton and Joe Power.)

GUESTS

Don Neberzall and Don Wood guests of Bob Armstrong.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa
a place to grow

April 21, 1972

THIS WEEK----April 26, 1972

Roosevelt Hotel---Program Chairman Dick Landis with a narrated, slide-illustrated, true-life adventure-----Dick and his YF on a 250-mile hike thru Norway. And if you don't feel that is worth the price of admission---we are going to have the monthly committee meetings! Something got changed since I first heard the story. Dick was originally going to give us a follow-on of his trip to Russia as discussed on the radio "Out on a Limb" program, but now we are going hiking in Scandinavia! Anyway----sounds interesting. A fine spectator sport!

DOO

Joe Power----"Let's have those monthly reports from the Committee Chairman!"

DATES TO REMEMBER

The KIWANIS' International Convention----June 18 thru 21, 1972.

KIWANIS' District Golf Tournament-----June 5, 1972.

Your wife's birthday.

"Beat the International President" Golf Tournament---April 1 thru Sept. 4

DOWN THE DRAIN

Appears that our project to sell candy during the Band Festival won't be. The Jaycees are agin it. It's their show, you know! Sooo-----the committee responsible for making the budget balance is open to suggestions. They are looking for ideas which will require the participation of many and will result in a few hundred bucks for the kitty. Any ideas?

K-SIGNS

Apparently CR KIWANIS have taken the no-billboard law seriously. Have you ever noticed that every town and city in the state except CR has KIWANIS' roadside signs giving time and place of meetings?

ESSAY CONTEST

All entrants into the Downtown KIWANIS' essay contest are in the hands of the Committee. An awards luncheon meeting is tentatively being scheduled for some Wednesday in May.

LAST WEEK

Cedar Rapids Cardinal's General Manager Don Buchheister did his best to counteract the poor press of the Cardinals and followed his comments with a fast-moving movie of last year's World Series. Wonder how many miles of film were edited to give us those highlights. Was an almost too-fast-moving recap of the games between the Pirates and the Orioles. I can't describe it. The plays and commentary moved so fast that I found I was lagging the action on the screen by several plays---if not by several innings. The two managers were wearing microphones and we heard their comments of criticism and encouragement to the players as tense moments developed in the play. Am sure edited out, were some earthy, really choice comments by the managers. An interesting movie and an excellent promotion piece for the sport. Incidentally, Russ Mueller inadvertantly let it drop-----he still has a few books of tickets left! The first Cardinal home games are Monday and Tuesday, April 24 & 25.

THIS WEEK----May 3, 1972

Roosevelt Hotel----Henry Madden, Vice President of Harnischfeger and out-going President of UCS telling us where our money goes, what it does and possibly something of the plans for the future of our "community chest" program.

SHAKE UP

If you missed last Wednesday's meeting, you may be in for a surprise. President Colton made a number of changes in committee assignments. Ask Ed for a copy of his "KIWANIS COMMITTEE ASSIGNMENTS AND DUTIES". For example, I had been coasting along as a member of the Public Relations Committee. On the new list, I'm Chairman of the Agriculture and Conservation Committee! How about that for a switch? Like I said---you had better get a look at the list!

A few points from Ed's Responsibilities and Duties" section of the announcement----
The essay contest is nearing the final stages of judging. The Fair Assn. has scratched the particular judging contest for which the Downtown KIWANIS normally awarded prizes. Jim Loyd and Russ Mueller have been assigned responsibility for the I.D. book. (Jim and Russ---I have the negatives.) The Program and Theatre Committee has responsibility for raising 375 bucks to help balance the budget. The income from our gumball machines has dropped off and the Gumball Placement Committee is looking for new sites for placement of machines.

President Ed asks that----(1) When a committee is scheduling a special meeting, someone adviseshim so he can arrange to try to attend and (2) that good "minutes" be taken at all committee meetings so the decisions made and activities planned will be a matter of record.

LAST WEEK

I know it looked suspicious, Dick, but the dozen or so of us who ran for the door just before you went into your travelogue, really did have business appointments! It wasn't that we have anything (well, not much anyway) against the family slide/movie form of "entertainment". In fact, I was looking forward to seeing your pictures. My ancestors on my mother's side were all Scandinavian and I have a sincere interest in that part of the world---and don't expect to ever see it except thru someone else's pictures. Sorry I had to bug out. When you going to do a rerun of the Landis trek thru Norway, Dick?

VISITORS

Robert Johnson guest of Al Gravelie.
Ted Hanley guest of Dave McFarland.

THIS WEEK----May 10, 1972

Roosevelt Hotel----Paul Diaz, Director of Curricula, Cedar Rapids Community Schools discussing "The Chicano and His Problems". Paul Diaz grew up in southwestern U.S. and is a nationally recognized authority on the subject with several published books to his credit. Should be an interesting and stimulating program. See you there.

BOARD MEETING

Bishop's Downtown-----Tuesday Noon, May 9, 1972.

WE'RE PROUD

Perfect attendance---

Clarence Fenner-----36 years
Frank Wilbur-----15 years
C.R. Fahrney-----14 years
Ed Colton-----8 years
Ken Holvenstot-----11 years
Howard Vander Schaaf-----2 years
William Jameson-----2 years
James Luhrs-----2 years
Albert Gee-----1 year
James Crumrine-----1 year
Richard Landis-----1 year

Roy Parker-----The Secretary is doing a retake on Roy's record. He came to Cedar Rapids with a long record of perfect attendance. Roy has had three years of perfect attendance since joining the Downtown KIWANIS.

The numbers following the names speak for themselves. I'll be very proud if I can match Jim Crumrine's record some year. But Doc Fenner with 36 years! That takes real sacrifice and determination. Determination on Doc's part----and, no doubt, sacrifice on the part of some of his patients!

Secretary Joe Power recommends that each of us watch our attendance----and our attendance cards, to be sure they are marked properly. Joe predicts that at least 20 Downtown KIWANIANS will be eligible for perfect attendance tabs for the year ending September 30 -- if attendance continues to be as good as it has been in recent months.

LAST WEEK

Establish priorities----that's what the UCS Board does! As might be expected, there is never enough money to go around and it is up to the board to categorize the requests, assign priorities and try to match the funds available to the needs of the community. Out-going UCS Board Chairman Henry Madden indicated that being a UCS Board member isn't any real help when it comes to winning friends! Many requests cannot be satisfied. In fact, few are completely satisfied. The Board's goal is to get the most local good from every dollar available. Dissatisfaction with the decisions is common (and a national problem) and the critics are vocal!

Locally, the UCS Board has been giving considerable attention to the "federating" (not merging) of agencies which either are totally or partially dependent upon UCS for financial support. A good example is the recent move of the health-related agencies into the Paul Building, 3rd Avenue and 4th Street East. The goal is better coordination of activities and programs and financial saving thru utilization of a common administrative staff and information files.

Henry Madden sees UCS as not only the means to continue to support existing programs---but related and just as important, a means to support new programs until other financing can be arranged. Foundation II started by Coe students to combat drug abuse, is a good example. Foundation II, thanks to these young people, got off the ground but soon found itself in financial trouble. UCS stepped in, and gave them a hand until government funds became available. The wheels of government turn so slowly that a deserving organization which fills an urgent need can go under while awaiting financial help. UCS will often step in to help----after the hard-nosed board has reviewed and approved the request, the organization plan and the budget!

WHO IS YOUR CANDIDATE FOR MEMBERSHIP IN THE DOWNTOWN KIWANIS?

HOW ABOUT THIS?

Three programs in a row---May 31, June 7 and June 14---the womenfolk are invited! May 31 is the Downtown KIWANIS' High School Essay Contest Awards Luncheon. June 7 is the Annual Picnic. June 14 is Theatre Night--Community Theatre Players presenting "Dames at Sea" in the auditorium of Jefferson High School.

TICKETS FOR "DAMES AT SEA" WILL BE SOLD NEXT WEDNESDAY. THIS IS OUR MONEY-MAKING PROJECT FOR THE YEAR. \$4.00 per ticket. Best seats in the house. WE NEED YOUR MONEY!

CR HISTORY

Program Chairman Dick Landis is going to try again. John Wessale is scheduled to present "Cedar Rapids Then and Now", with pictures, Wednesday noon May 24.

ATTENDANCE 76% DURING APRIL!

INVOCATION

May 17-----Joe Ainsworth
May 24-----Jerry Banes
May 31-----Ed Bock

The House and Reception Committee has been assigned responsibility for recruiting and scheduling members to give the invocation at our Wednesday noon luncheon meetings. The Committee requests that the individual involved arrive no later than 12:00 noon and that he sit at the head table.

KEY CLUB

Albert Gee advises the committee responsible will visit with the Principals of the local high schools during the summer and determine whether we should proceed to try to organize a KIWANIS Key Club.

ELECTION

The election of new officers will take place some Wednesday during June! President Colton has appointed the following to the Nominating Committee-----Jim Downing, Chairman; Clarence Fenner, Frank Wilbur; Ron Moore and Frank Cosgrove.

ROY PARKER RECOGNIZED AND CONGRATULATED FOR 29 YEARS OF PERFECT ATTENDANCE!

LAST WEEK

Paul Diaz speaks from personal experience. Being poor and of a minority group isn't all that great---as the kids would say. But he doesn't believe militancy and radical action solve many problems. Paul spoke with emotion of his childhood in Arizona. Discrimination was a way of life. For example, his grades ranked him top in his high school senior class. But someone decided the year that Paul was a senior that the procedure would be changed. They would not honor scholastic achievement by having a valedictorian! But Paul Diaz isn't bitter. Friends and former teachers made arrangements so he could go to the University of Iowa. He found Iowa - and especially Cedar Rapids - to his liking while in the Army stationed at Sioux Falls. Paul Diaz is a dedicated educator. He has never met a bad kid! We need many more like Paul Diaz. I can't write what he said last Wednesday noon---but I won't soon forget what he said!

VISITORS

THIS WEEK----May 24, 1972

Roosevelt Hotel----Ladies Day! Just that - should be enough to assure a good turnout. But in addition---the winners of the Downtown KIWANIS' High School Essay Contest and their advisors will be guests. You will recall that Bill Pohorsky and his committee have been busy the past four months working with the Cedar Rapids High School administrators and teachers to promote good citizenship and pride in the American way of life. President Colton came up with such a topic, that if I hadn't written it down, I wouldn't be able to quote it for you. The subject---"The Role of Individual Self-Regulation and Personal Responsibility in a Free Society". To hear what that means, come to the Wednesday meeting. The young folks have been doing some deep thinking! Bill Pohorsky read one of the winning essays at the last board meeting. It was a well written, thoughtful and thought provoking bit of prose. Don't forget to bring your wife or girl friend. You can bank on an interesting program-----and it is another opportunity to show the young people that the KIWANIANS are behind them all the way!

HARD SELL

Your Committee Chairman will be putting the bite on you for eight bucks, if he hasn't already. Program Chairman Dick Landis passed out tickets to Committee Chairman at last Wednesday's meeting. What tickets? The Downtown KIWANIS' night at the theatre--- June 14, "Dames at Sea" by the Community Players at Jefferson High School. Bring your wife, friend----or just buy two tickets and give them to a couple of friends. This is the Club's money making project----in lieu of the street candy sale. The fund for youth activities needs money, but badly.

Sooo-----Committee Chairman, let's get with it---but don't be as crude as I was when I approached Ed Bock to sell him tickets. I told him---when he said he wasn't sure he would be in town on the 14th----that I really didn't care if he attended the show, I just wanted his eight bucks! (Sorry Ed. Am sure you don't know me well enough to realize that rude statement was accompanied by a twinkle in my eye!) Incidentally, and however, Committee Chairman, Ed didn't slug me---he bought two tickets!

LAST WEEK

Fine craftsmen, these young award winners in the KIWANIS' Industrial Arts Competition. Six winners and Industrial Arts teachers from Franklin, Harding, McKinley, and Roosevelt Junior High Schools were guests of the Downtown KIWANIS last Wednesday. The students brought examples of their craftsmanship with them----fine pieces of woodworking and cabinetmaking, a model of an unusual house design and a sample of a printing project from a graphics arts class. One of the projects, a set of five dining room chairs built by Jeffrey Kurka of Jefferson, recently won a four-year tuition scholarship for him to the University of Northern Iowa. He plans to study wood technology and wants to combine teaching in that field with coaching.

Franklin Jr. High School was represented by student Ed Toms and Industrial Arts teacher John Michaelson; Harding by Tom Novak and teacher Al Covington; McKinley by Larry Lucky and Les Griggs; Roosevelt by John Mueller and George Thompson. From the Sr. High Schools, Student Terry Rentschler and teacher John Lyman from Kennedy, and from Jefferson, Jeffrey Kurka and Robert Thompson. While students at Taft, Wilson and Washington High Schools participated in the Competition, they did not send representatives to our last Wednesday's meeting. Certificates were prepared for 54 students/projects and will be presented to the students at the various schools during award ceremonies, or in whatever manner the schools' administrations feel appropriate. A fine program guided by Ron Moore. (One point----Don't you think next year the Club could afford to pay for the lunches for the teachers---as well as the students?)

THIS WEEK---Wednesday, May 31, 1972

Roosevelt Hotel----Remember what I told you the program was going to be last week? That's what it's going to be this week! For those of you who didn't read last week's Bulletin--- May 31 is the Essay Awards Luncheon and the ladies are especially invited to join us in honoring these outstanding young people from our local high schools. The winners and their advisors will be guests of the Club.

Dick Landis assures me that this time I have it right----the program will be presented by the Essay Committee and it definitely is Ladies Day! (Jim, I was pleased that you brought Mrs. Downing to lunch with you last Wednesday. That proved I HAD one reader!) Hope many of you fellows will invite your wives and friends to have lunch with us Wednesday, the 31st.

HAVE YOU BOUGHT YOUR TICKETS FOR "DAMES AT SEA"? June 14th's the date!

CHAIRMEN

Joe Power reminds all Committee Chairmen that reports are due. Review the new list of committees passed out by President Colton. The list which appears now and then on the reverse side of the Bulletin is obsolete. You may have responsibilities you aren't even aware of, or----you may no longer be among those required to submit reports to the Secretary for the Club's monthly report.

OSCAR ANDERSON---90 YEARS!

An amazing achievement. On May 4 longtime Downtown KIWANIAN Oscar Anderson celebrated his 90th birthday! But almost as hard to believe----Oscar has been with the same company-- Equitable Life Insurance Company of Iowa---55 years! Top that combination if you can! Quoting from a feature story in the Cedar Rapids Gazette, May 21, 1972---Oscar was born in Ottumwa and sold insurance in that city before moving to Cedar Rapids. He is still a General Agent for Equitable of Iowa. During his many years in Cedar Rapids, Mr. Anderson has contributed much to the growth and welfare of the community----in addition to his long membership in that Service Club known as the KIWANIS. I haven't known Oscar Anderson very long, but have been impressed by his obvious interest in people, in life and the goings-on around him. Congratulations Oscar! May you add many more years to an outstanding record of life and achievement.

LAST WEEK

Last week just wasn't my week. First I flub the program announcement. Then I turn in a correction to the Gazette (which they ran) listing the program "Cedar Rapids Then and Now" to be presented by John Wessale. But John Wessale didn't appear. The commentary on the slides was given by Roger Donnelly! When Donnelly was introduced, I looked around for familiar faces. Had I sat down with a group of Optimists by mistake? I did rush in late!

But everything turned out OK. Roger Donnelly of Waconia Sorghum and the Linn County Historical Museum Association filled in the Wessale who had been called out of town.

The Museum Association was organized three years ago. Their current project is to locate a suitable building that they can afford. The association has, or has had offers of, many items of historical significance to Linn County. But they are still looking for a reasonably priced building big enough to house a relatively large number of displays. Displays can be changed to arouse the interest of the local citizens, tourists and serve as an educational aid to the schools. Donnelly said several slide presentations, with narration, are currently being prepared and will be made available to the schools. Donnelly showed us a series of "then" and "now" slides, projecting both on the screen at the same time, for an interesting thirty minutes of Cedar Rapids history.

THIS WEEK----June 7, 1972

THE PICNIC-----BEVER PARK, ZOO PAVILION, 6:30 P.M.

Mrs. Bob Rush requests-----Bring your own table service and bread. Also a dollar gift and a covered dish as stated below. KIWANIS husbands are furnishing the meat and coffee. And don't forget----this is a Downtown KIWANIS' and Kween affair. Don't forget to bring her!

To quote Mrs. Rush----"As a KIWANIS' Kween, if your name begins with:

A thru C (Please bring cake or pie for 12)

D thru J (Please bring salad for 12)

K thru P (Please bring hot vegetable or baked beans for 12)

Q thru Z (Please bring potato salad or scalloped potatoes for 12)"

"Erma Rush"

IF YOU HAVEN'T, MOVE FAST

Tickets for "Dames at Sea", June 14, Jefferson Auditorium are still available. If you haven't bought yours--see your committee chairman ASAP. Or see Dick Landis. You can be assured you will get your money's worth. "Dames" is being given the extravaganza treatment by the Community Theatre Players. Remember this is the Downtown KIWANIS' fund raising project for the year. Treasurer Ken Holvenstott reports a sizeable discrepancy between budgeted expenditures and money available. THEATRE NIGHT NEEDS THE SUPPORT OF EVERY DOWNTOWN KIWANIAN! Let's go!

FORE

You can still get in on it. Give Dick Landis a call. Take-off, 6:00 A.M. Saturday, June 3, 1972, Roosevelt Hotel.

What I mean is----Dick is coordinating the arrangements for the Iowa KIWANIS' Golf Tournament. Dick, Vic Bock, Sandy Bachelor, Rick Chandler and Joe Power will represent the Downtown KIWANIS. But if you're in a club-swinging mood, why don't you join them?

LAST WEEK

The Downtown KIWANIS High School Citizenship Essay Awards program---a fast-moving program ably MC'd by Bill Pohorsky. The winner from each school---Jefferson, Craig Murrin; Linn-Mar, Janet Allen; College Community, Anne Phillips; Regis, Douglas McGuire and Washington, Joseph Erceg---read his essay. Each of the essays was a thought-provoking piece, presented with confidence, in a manner which makes one realize the future of our country is in good hands.

Each of the five winners received a Savings Bond and a Trophy. The Grand Prize winner was Anne Phillips of College Community High School, a pert miss, with a well-written essay---and a rapid-fire delivery to match---who was awarded an additional Savings Bond and a Trophy for display in her high school.

The above was the end result. Obviously the man/woman hours which the students, teachers and judges put into the contest would make a sizeable stack. Besides Bill Pohorsky, Downtown KIWANIAN Vic Bock; Arnold Herbst; Orie Lawrence; Charles Loomis; Warren McAllister; Horace McGrath; Frank Race; Howard Vander Schaaf and Fred Kluss gave of their time to judge essays and help assure the success of our venture into "The Role of Individual Self-Regulation and Personal Responsibility in a Free Society."

VISITORS

Besides a scattering of KIWANIS' Kweens and a number of visitors from the area high schools, the following joined us for lunch last Wednesday-----
Lyle Chamberlain of Watertown, N. Y. guest of Roy Parker.
President Ed's parents, Reverend and Mrs. Ralph Colton, CR.
Dr. Craig Smith guest of Doug Valentine.

ANNIVERSARIES

Frank Cosgrove-----June 2, 1948.

THIS WEEK----June 14, 1972, Evening

"Dames at Sea" by the Community Theatre Players, Jefferson High School, 8:00 P.M. Dick Landis has reserved a block of the best seats in the house for the Downtown KIWANIS. Let's fill 'em! While the sale of tickets has been going reasonably well, Dick advises there are still a number of choice seats available. If you haven't bought yours, give Dick a call. Or, if you know someone else who would like to go, we will be glad to have them. Anyone with four bucks is welcome! These particular seats will sell for the same price at the box office for later performances of "Dames"-----so you aren't paying a premium price when you join us at Jefferson the evening of the 14th. See you there!

GOVERNOR'S DAY----June 14, 1972, Noon

And in addition---Governor Ray will speak Wednesday noon at the Roosevelt Hotel. How about making a day of it? Sign in at the Roosevelt, either first or second floor to assure you get credit for attending a meeting (Downtown KIWANIS won't have a regular meeting on the 14th)-----and spend your lunch break with the Governor?

The Chamber of Commerce is handling all arrangements for the annual "Governor's Day" affair. You must call 364-5135 before Monday Noon, June 12 if you plan to attend. The price is only \$2.75 for the combination----Lunch and the Governor. (I hesitate to mention it----but wives will be welcome!)

ALLAH BOARD

Board meeting, Tuesday Noon, June 13, Downtown Bishop's.

JUNE 21 PROGRAM

James Mezera, Vice President-in-Charge of Harnischfeger's Mining and Construction Division, Milwaukee will speak to the Downtown KIWANIS Wednesday Noon, June 21. Understand Mr. Mezera is an excellent speaker with some interesting experiences to relate concerning this important division of Harnischfeger.

NOMINATIONS - NEW OFFICERS

The following have been nominated for offices in the Downtown KIWANIS----2nd Vice President: Albert Gee and Russell Mueller; Treasurer: Kenneth Holvenstott; Directors: Duane Anton, Wallace Brown, Richard Chandler, Joe Greenlief, Charles McIntyre and Joe Stenner.

The Nominating Committee---Chairman James Downing, Frank Cosgrove, Clarence Fenner, Frank Wilbur and Ronald Moore.

Nominations from the floor will be welcomed at the June 21 meeting. The election will be held June 28. The new KIWANIS' year begins October 1.

INVOCATION ASSIGNMENTS

June 14-----Wallace Brown.
June 21-----James Crumrine.
June 28-----Robert Butterfield.

LAST WEEK

Recommend you don't miss it next year. It was a fun affair---the picnic in Bever Park. They wouldn't sit still long enough to get a head count, but I estimate some thirty couples attended. The food was excellent and while the male faces were the usual Wednesday noon gang without ties, the gals added an air of freshness and sociability normally missing around the tables at the Roosevelt. (I want to point out that I have been doing my best to make wife-attendance a regular thing. However, only Mrs. Jim Downing has been cooperating.) And who do you suppose won the grand prize---a beautiful winter scene painted by Jim Rasely---Catherine Perry!

I COULDN'T SLEEP

Bob Armstrong, you were right. I did drink too much coffee at the picnic! But if I hadn't, I probably would have been asleep at midnight last Wednesday and would have missed the TV interview of Cedar Rapids Convention Bureau Chairman Ed Colton!

THIS WEEK----June 21, 1972

Roosevelt Hotel-----Harnischfeger's Vice President in charge of the Mining and Construction Division, from Milwaukee----Mr. James Mezera.

In addition, your opportunity for the year, to nominate that guy you have been wanting to get even with for one of the officer positions of the Club! The election will take place on the 28th of June.

The nominees to date----2nd Vice President: Albert Gee and Russ Mueller; Treasurer: Kenneth Holvenstott; Directors: Duane Anton, Wallace Brown, Richard Chandler, Joe Greenlief, Charles McIntyre and Joe Stenner. (There isn't anyone in the club whom I dislike enough to nominate for Bulletin Editor----but I'm giving it a lot of thought!)

NEW MEMBERS

Wish this were a list, rather than a reminder that you haven't come up with your recommendation so far this month! Appears we need some concentrated and continuous action by all members to assure we don't wind up losing our position as the largest KIWANIS Club in Cedar Rapids.

THIS IS THE WEEK

The KIWANIS' International Convention in Atlantic City, June 18 thru June 21.

COMMITTEE ACTIVITY

Finally found a project for the Agriculture and Conservation Committee. President Colton received a request from a KIWANIS Club to the East asking for the donation of a vigorous and growing sapling, a "State Tree of Iowa" for their park. There seems to be some argument as to whether the Iowa state tree is just any variety of oak - or is it the Pin Oak?

LAST WEEK

"Dames at Sea", Jefferson High School auditorium. Suspect that Joe Power's sign-in list for Downtown KIWANIS at the Roosevelt last Wednesday was longer than the list of those from the same Club who attended "Dames"----but hopefully the final tally of tickets sold will show that the financial support was there, even if attendance appeared to be a bit on the light side.

The show was a fun thing. With appeal primarily to the graying heads who remember the "follies", and such musicals with lots of song and dance and little story or plot. Professional reviewer L.Z., in Thursday's Gazette, expressed it much better than I can---"Dames at Sea" is an unusual show in many respects. There's not a smut line....., the show presents no message and there's not a protest song from start to finish." And it does keep a lot of young people off the streets and out of the taverns. The cast is large, made up of young folks with enough talent and energy to turn many of us green with envy!

TRIAL BALLOON

Just checking to see if anyone really reads the Bulletin. Don't know how many blanks were mailed last week but found I have at least two readers----Jim Downing and Jim Crumrine drew blanks, and complained!

INTERNATIONAL MEETING

Ed Colton and Bill Jameson represented the Downtown KIWANIS at the International Convention in Atlantic City. Hope they're both good swimmers. Ten inches of rain, wow!

NOT FAIR

Dick Landis, I think you took an unfair advantage of Bob Butterfield last week. Making him feed the pig before he introduced his boss! It's bad enough to have to introduce your boss to an audience----because one has to be a bit careful what one says-----but to require payment in advance! Don't know about these money-changers!

LAST WEEK

If you want to dig a big hole or lift a heavy weight---think of Harnischfeger. Harnischfeger Vice President James Mezera gave us a rapid-fire verbal description of the company's operation while utilizing dual slide projectors to show us what he was describing. An interesting, impressive and educational half-hour with a knowledgeable officer of one of Cedar Rapids' newer, dynamic industries.

The trademark of Harnischfeger is "P & H". Have often wondered about the "P". Mezera explained that the company was started in Milwaukee in 1884 by Messrs. Pauling and Harnischfeger to manufacture material handling equipment such as cranes, trucks and lifts. Mr. P left the organization but the company retained the "P & H". According to the 1971 Annual Report, Henry Harnischfeger is President and Chairman of the Board. The senior Harnischfeger - Walter - is Honorary Chairman.

Wherever something big is going on you will find "P & H" worldwide. Mining, bridges, dams, expressways and modular housing are a few of the projects which utilize their giant cranes and shovels. But they have one product line that sort of bothers me. That robot truck which is capable of locating, lifting and delivering its load to a destination without human help. Of course, there is a man at the control console----but what if a group of these devils rebel and decide to take over the operation? (Understand the Sara Lee Bakery near Chicago is just about that automated.) Even after thirty years in engineering and electronic control---I'm bothered---or, could the robots do a better job? We aren't doing so hot!

VISITORS

Kiwanian D. I. Roland, Laguna Hills guest of Joe Stenner.

D. Schulz of Milwaukee and H. Madden of CR guests of Bob Butterfield.

Summer assistant, Herb Schaeffer, guest of Steve Root.

Ken Walton, this year's Experiment in International Living representative, guest of Dick Landis. (Ken is leaving soon to spend the summer in Argentina.)

Phil Klinger of the County Attorney's Office guest of Duane Anton.

ANNIVERSARIES

Jim Crumrine-----June 17, 1964. (Please send Jim a printed copy this week.)

19TH HOLE

7½ hours to play 18 holes of golf! Just a bit hard to swallow----but that's what the five Downtown KIWANIS who participated in the Iowa KIWANIAN Golf Tournament reported. They aren't bragging about their scores, just their endurance!

THIS WEEK-----July 5, 1972

Roosevelt Hotel----State Senator Arthur Neu of Carroll, Iowa, a candidate for the Republican nomination for Lieutenant Governor. Speaking before the Des Moines Downtown KIWANIS last week, Neu pledged to limit the influence of lobbyists in the Iowa legislature if he is elected lieutenant governor. No doubt Neu discussed many topics in addition to lobbyists----but my source, the Cedar Rapids Gazette of June 28-----didn't provide details! Arthur Neu has served in the Iowa Senate since 1967.

REPORTS DUE

Committee Chairmen-----Secretary Joe Power asks that you send him your monthly reports.

COMING UP

Dick Landis advises he has some programs lined up for July:
12th Bob Birr giving us the lowdown on the new traffic control and flow signs.

(Incidentally, Bob Butterfield put in a word with the Good Lord for those of you who weren't with us last Wednesday. He must have recently seen "Fiddler on the Roof"!)

VISITORS

Lee Taylor guest of Dave McFarland.
D.I. Roland guest of Joe Stenner.

ANNIVERSARIES

Oscar Anderson-----July 1, 1927!

Oscar took advantage of the occasion to recommend that the Board consider making all who have been continuous members of the Club for 45 years or more and are at least 90 years old----Life Members of the organization! That sounds like a fairly safe move. Possibly it could be made a rule that whenever the combination of a member's age and years of continuous membership add up to 135-----!

Oscar, you have set a mark which few, if any, of your fellow Downtown KIWANIS will equal. Life Members will be rare. Keep setting new records. It's great having you with us.

THIS WEEK---July 12, 1972

Roosevelt Hotel---Downtown KIWANIAN Bob Birr calling the signals---highway and traffic control signals, that is. Understand the plan is to remove the words as soon as the authorities are convinced the drivers know what the signs mean. International signals. Bob will tell us---how come, when, and, in general, take us old drivers by the hand and tell us what we will need to know to get there from here.

BOARD MEETING---Tuesday, July 11, 1972.

Downtown Bishop's at noon. All new and old officers, and board members invited and encouraged to attend. The turnout for last month's meeting was very poor. Hope you can make it!

LAUNCHED

By the time you read this, almost two weeks will have passed since the Downtown KIWANIS' membership drive was launched. How are you doing? The Bulletin Board and the Bulletin will carry the score in the weeks ahead. Remember we only have until the end of August to round up 22 new members. Duane Anton announced at last Wednesday's meeting that the team coming thru with the largest number of new members will receive free Wednesday lunches for one month! Better contact that prospect before one of the other Clubs gets to him.

INTERCLUB

East Side KIWANIS, Tuesday Noon, July 11 at Charlie's.

LAST WEEK

Frank Nye seems to have done a pretty good job setting down the key points of State Senator Arthur Neu's talk! I'm not going to be so presumptuous as to think I can do better than the old pro! So---just in case you missed Frank's story in the Wednesday evening Gazette (page 7D), I'm going to extract a few paragraphs---"Leadership of the Iowa Senate will not be engaged, as it was in 1971-72, in trying to embarrass the governor if he (Neu) is elected lieutenant governor this fall."....."Neu also said he would cut down the number of committees in the senate by possibly combining the schools and high education committees, law enforcement and judicial committees and the conservation and environmental preservation committees."...."Key issue before the 1973-74 legislature, Neu predicted in his talk, will be to shift school finance costs from local property taxes to some other form of tax---income, sales or state property tax."...."He said this will come about if the U.S. Supreme Court upholds a Texas Supreme Court opinion that property tax is an unfair method of financing schools because of inequities in land values in various school districts."

A few points from my notes---Financing of schools, construction of roads, welfare financing, etc. are among the most controversial issues a candidate for state office can select; Most of the key issues are unpleasant to face and talk about; School operation cannot be financed by economic growth (wishful thinking); The method of collecting funds to finance education has been a basic factor in the inequities in facilities and the quality of instruction---where property values are high, the schools are of high caliber and vice versa (Watts area, California vs Beverly Hills was Neu's example); Iowa's system of financing schools is likely to be declared unconstitutional because it is very much like the California, Minnesota and Texas systems which have been declared or questioned at the highest level of the courts within those states. (Glad Frank Nye got his story put together before Wednesday's Gazette was put to bed!)

THIS WEEK---July 19, 1972

Roosevelt Hotel---The Cedar Rapids Caucus discussing "What the Caucus has done to improve the status of the Women's Liberation Movement in Cedar Rapids". Cedar Rapids Caucus members Judy Birmingham and Mimi Hunter will make the presentation. Whether you are "for" or "agin" the Movement, it should be an interesting program. (Noted a news item recently which stated the Rochester, N. Y. Jaycees were given the boot by their national organization because they had taken in women members! Will be interesting to see if the national Jaycee organization can make that decision stick if the Rochester club decides to fight it.)

NEW MEMBERS?

Keep thinking. Doug Valentine points out that the clock is running. A captain has been appointed for each of the 22 Teams. Note the list below. Who is your captain? The Committee responsible for the membership drive will check weekly with each Captain. Hereafter, the Bulletin and the Bulletin Board will provide summary, or detail, information on progress, as available.

ELECTION

A new board member to take the place of Norril Rogness who recently resigned because of the demands of out-of-town business - will be elected this week at the Wednesday meeting.

LAST WEEK

Bob Birr, fellow Downtown KIWANIAN, and Traffic Safety Consultant for the Motor Club of Iowa----in words and pictures, gave us the lowdown on the changes presently being implemented in the system of signs used to control automobile traffic. Bob spends his days (and nights) talking automobile safety and doing his best to educate young and old Iowans in the rules and courtesies of the road.

If you weren't able to attend last Wednesdays meeting---suggest you drop in at the AAA office and pick up a copy of "NEW ROAD SIGNS COMING YOUR WAY", a four-color, well-illustrated folder which provides all of the essentials of the new look in highway signs and signals. (Except---"Pass horses and buggies with care." I was thru Kalona today!)

Uniformity is the key word. International conferences have been held to negotiate a set of signs which is acceptable to representatives of all participating countries. You won't have to know the language of the country in which you are driving to obey traffic rules and regulations. The graphic symbol will tell you what you need to know. Bob, it was a most interesting and informative half hour.

VISITORS

Rex Schroder of the Morris Plan guest of Ed Colton.
Gene Young of the Washington National Insurance Co. guest of Ed Colton.
Jesus Arredondo of Quaker Oats, Mexico City guest of Charles McIntyre.
Former Lt. Governor Ralph Mills of Marion.

THIS WEEK----July 26, 1972

Roosevelt Hotel---President Colton and President-Elect Jameson----in pictures and words--- giving us the scoop on the dam(p) KIWANIS International Convention. Assume this will be an unrehearsed off-the-top-of-their-heads presentation with little in the way of story line but strong on KIWANIS' philosophy----and hopefully a few new jokes appropriate to the occasion. Like a New Jersey alligator joke, maybe?

TWO DOWN

Doug Valentine reports progress has been slow on the membership drive. Two new members and twenty to go! Doug asks that the Team Captains give him a call and report results. Like he said----only five more weeks to round up twenty more recruits!

KEY CLUB

Charlie McIntyre is doing a survey to determine how many members have sons, nephews, grandsons, etc. who may be prospects for a new KIWANIS' Key Club, or even better, have some young man (note the discrimination) who has prior experience in a Key Club. Understand one of our guests of last week----think it was Ken Hunter---has experience with this type of youth activity.

LAST WEEK

"Feminine Mystique; the Masculine Mistake" was the title of Sally Madden's lecture last Wednesday noon. She didn't mince many words while telling us what she and the Movement think of us. Noticed a number of the Downtown KIWANIANs looking down at their shoes. Makes one rather ashamed to be a member of the "dominating" male sex, doesn't it? Or does it? Ms. Madden's carefully prepared statement, sprinkled with a generous helping of statistics, made a strong case for the Movement.

While I'm always skeptical of statistics---she brought out many points which have long been recognized for what they are----sex discrimination----and too little has been done to rectify these situations. It is about time changes are made in the attitudes still common in some areas of business and industry. Most of us probably will agree that women don't always get a fair shake. But aren't their attainments often limited only by lack of dedication? Wonder if it usually doesn't boil down to a matter of priorities. You know, I could go on editorializing on this subject for several more pages. I'm confused. And Sally Madden didn't help a bit to straighten out my thinking! Don't think she really said anything I hadn't heard or read before. But if she did to you what she did to me---ruffled my feathers and forced me into a defensive position----she probably did what she set out to do! (Incidentally, I understand that we probably were denied a more educational half-hour when the originally-announced speaker, Mimi Hunter, was "disqualified"!)

VISITORS

Mildred Downing guest of Jim Downing.

Don Klimes and Don Welter guests of Bob Blinn.

Phillip Klinger guest of Duane Anton.

Ken Hunter of Quaker Oats guest of Charles McIntyre.

James Wood Director of Social Security Office guest of Joe Power.

Dale Joseph of Battle Creek, Michigan guest of Frank Wilbur.

Major Jarvis, Winona Lake, Indiana and Capt. Jarvis (who replaced Major John Kimmons) of the Salvation Army guests of Mel Kropuenske. (Russ Mueller reports meeting Major John Kimmons recently by chance in a restaurant in St. Joseph, Mo., the Major's new home.)

Cal Rogers of Marshalltown guest of Wallace Brown.

Dennis Otting guest of Rex Schrader.

ANNIVERSARIES

Roy Stoddard----July 22, 1942! Thirty years!

Congratulations Roy. That's a lot of years to listen to those stale jokes. You have borne up well under the strain. May your health continue to improve and give you the stamina to add decades to your KIWANIS' record.

THIS WEEK-----August 2, 1972

Roosevelt Hotel----Tait Cummins giving us the preseason inside scoop on what to expect this fall from our favorite teams. An old pro with some new dope.

DUE AGAIN

Committee Chairman----Joe Power asks that each of you give him your monthly report at next week's meeting---or if you can't be there Wednesday, give Joe a call and let him fill in the form.

PROGRESS

Welcome new members---Rex Schrader, Morris Plan
Jim Wood, Social Security Office
Gene Young, Washington National Insurance Co.

Nice to have you with us---and have you on the "Welcoming Committee" - per President Ed's official act last Wednesday making all new members of the Club members of that committee. A receiving line, one might say!

Doug Valentine reports two more have joined and will be announced as soon as the paperwork has been completed. Team Captains---you may expect to hear from Doug if you don't report to him. Give him a hand and call him---before he calls you! It's going to take an all-out effort to reach that 22-new-member quota! Are you thinkin'-----and actin'?

LAST WEEK

Ed Colton and Bill Jameson gave us a report on their trip to Atlantic City----the KIWANIS International Convention--and Agnes. Ed and Bill agreed that the theme of the Convention appeared to be---listen to the young people---and get them involved in the KIWANIS activities. Didn't realize how many Key Club (High School) members the organization has---89,000! The Downtown KIWANIS' officers and board have high hopes that we will be able to help organize a Key Club in the Cedar Rapids-Marion area during the coming KIWANIS' year. (After the remark I made last week concerning statistics, I hesitate to quote even President Ed, but somehow Ed and Bill didn't give me anything controversial or sensational to use as the basis for a story!) Worldwide, KIWANIS Clubs contributed an impressive \$13 million to community projects last year-----47 new clubs were added to the international organization last year-----40 nations have KIWANIS Clubs---there are 255 KIWANIS Clubs outside the U.S. and Canada---3,500 new members joined KIWANIS during the first six months of the current year.

Ed attended sessions on money raising and support of faith(s) and several administrative sessions. Bill attended sessions on "drug alert" and on "environment" and a session devoted to the activities and administration of clubs with 70 or more members. Bill indicated he feels somewhat ashamed of our lack of "drug alert" and "project environment" activities after hearing what other clubs have been doing. Ed showed slides of the boardwalk, the hall, etc. (You know---now I realize why reporters find some people much better copy than others. Last week it was a matter of how to report the Sally Madden story. This week it's "what can I write". Ed and Bill----your report on the Convention is much too factual and straight forward. It just doesn't measure up to Sally Madden's pitch for Women's Lib ----from a reporter's point of view!)

VISITORS

Warren Gililland guest of Bill Jameson.
Dean Arvilson guest of Jim Luhrs. (Jim--That's the best I could do with that name as you scratched it on the log!)

Jim Green guest of Dave McFarland.

ANNIVERSARIES

Mike Kennedy---July 29, 1942 plus another 8 years at Davenport. (Mike joined KIWANIS in 1934.) Ed Colton put his number 11 in his mouth making some comment concerning your age, Mike. So---I'm steering clear of that type of remark. (Apparently the organization's rules have been changed in recent years, however. Didn't realize that KIWANIS did recruiting in the elementary grades.) But, however it was you got in, Mike---an enviable record and may you add many more to your 38 years in KIWANIS.

August 4, 1972

Roosevelt Hotel---Tom Ecker, Coordinator of Physical Education for the Cedar Rapids School System giving us some of the highlights of the Mexico City Olympic Games and what we may expect from the up-coming Games in Munich. Ecker is a graduate of the University of Iowa where he was an outstanding track athlete; coached at a number of schools in this country, including Western Kentucky; then went to Sweden where he was Head Track and Field Coach of the Swedish National Team for several years. He returned to Iowa and was with the Nissen sales force for several years prior to joining the C.R. Community Schools. Ecker was a TV commentator during the Mexico City Olympic Games in 1968 - and, I understand, an accomplished and entertaining speaker.

BOARD MEETING---Tuesday, August 8, 1972, Noon, Downtown Bishop's.

Newest member of the Board---Rick Chandler elected to take the place of Norril Rogness. Rick is currently filling in for Rogness and his term on the Board will officially begin October 1, 1972.

MEMBERSHIP COMMITTEE

Doug Valentine, requests that all members of the NEW MEMBERS & EDUCATION division of the Membership Development Committee attend the Board meeting at Downtown Bishop's Tuesday Noon, August 8. In case you have forgotten---Doug is Chairman; Steve Root, Vice Chairman and members of the Committee are: Bob Gable, Waldean Rapp, Glen Bender, Duane Anton, Ken Drish and Horace McGrath. Doug is concerned that we aren't making enough progress on the new-member campaign and wants to get together to discuss action to be taken for the remainder of the period allocated. It ends August 31!

NEW MEMBERS

We have made some progress, however. The newest members are: Robert DeMeulenaere of The Brenton Bank & Trust; Dennis Otting of MorAmerica Financial Services. Welcome, and nice having you with us.

LAST WEEK

While Tait Cummins assured us that he has mellowed with age---he hasn't slipped a bit as an entertaining luncheon speaker. Can't say that I came away from last Wednesday's meeting with much of anything to chew and digest---except the pork chop---but, it was a very entertaining half hour with the old pro. I wasn't aware that back in his days as a sports reporter for the Cedar Rapids Gazette, Tait gave us, in the true sense of the term---an extemporaneous speech---no notes, no prior planning, nothing!

But, somehow, Tait didn't give our morale the boost that some of us were looking for. His prediction that the U of Iowa will wind up in the cellar of Big Ten football---probably comes as no surprise to you avid sports fans, but somehow, I hoped that he would have some inside dope that would be reason for thinking the crew in Iowa City would do better this year. Tait wasn't any help. Very depressing!

No one, including Tait, will predict what effect having freshman eligible for the varsity will have on the teams---or the game. They may be good, but do they have the maturity needed to compete in college? And Iowa's first game is against Ohio State. What a way to start a season! Tait predicts that Michigan State and Purdue may be the teams to watch. But then he made a few statements about what Illinois might do to the competition. Come to think of it, he did it again. At the time, Tait appeared to be making predictions, but when one gets to thinking about what he said.....

VISITORS

Guests of Bob Armstrong---Sons-in-Law Ralph Dusek and Tom Johnson and grandsons Dave Dusek and Jonathan Dusek. Johnson is from Clearwater, Florida and Dr. Dusek and sons from Washington, D.C.
Guest of Russ Mueller---Bob Worley of Cedar Rapids Transfer.
Guest of Howard Smith---Virgil Woodford, a Cedar Rapids realtor.
Guest of Jim Loyd---Jim Oetken of WMT (former KIWANIAN, Green Bay)
Guest of Adolph Helm---Ed McAleer of First Mid-America, Inc.
Guest of Dick McConnell---Craig Anderson of Crites & McConnell Architects.

THIS WEEK---August 16, 1972

Roosevelt Hotel---Frank Bates, Coach of the Rapid Raiders football team discussing philosophy and plans. According to a few notes in Gus Schrader's column, recently, Bates expects to have 40 players suited up for each game. Some of the players will be attending college, the balance will need jobs to supplement their "nominal" salaries. Bates will tell us about it---who they will be, who they will play, where and when.

MEMBERSHIP

Doug Valentine points out that we only have three more weeks to recruit 15 new members! May not be quite as bad as that figure would indicate, as we have a number of prospects, but every member is encouraged to do everything possible to round up some additional prospects.

NEW MEMBERS

Joe Power reports that the paperwork has been completed on seven new members. President Colton has asked these men to meet Monday noon, August 14 at the Roosevelt for a brief orientation session. They will be introduced to the club and inducted into full membership next Wednesday, August 16.

ATTENDANCE

Secretary Joe Power reports that attendance at the Wednesday meetings has improved considerably over the past few months. July was down a bit but it is felt that vacations were a factor. Attendance in July was 69.3%; June 69.6%; May 76%. Joe advises that quite a number of the members are well on the way to having perfect attendance for the KIWANIS' year and encourages everyone to make an all-out effort to finish up with a perfect attendance record. Give Joe a call. He can suggest what you might do to make up a meeting or two.

LAST WEEK

Tom Ecker lived up to his reputation of being an entertaining luncheon speaker. Jim Loyd introduced Tom. Am not sure which has the better line. The introduction was almost as good as the speech!

Tom Ecker grew up in Waverly, Iowa; went to college at the University of Iowa; coached track for a number of years and is currently Athletic Coordinator for the Cedar Rapids Schools. While he coached track, he says his favorite sport is really football---but not PeeWee Football. And he has been on the griddle often as a result of his stated opposition to organized football below high school level. Tom doesn't brag about his own high school prowess on the field. He says at Waverly, with 23 out for football, the coach chose two teams for scrimmage---and Tom Ecker was still on the bench!

Tom is leaving Sunday, August 13 for Europe. He and two partners have spent more than a year organizing a tour to take people to the Olympic Games at Munich. Tom is going first to Sweden then to Germany to be on hand to welcome the some 200 people who will arrive in Munich via Lufthansa as arranged by Ecker and Company.

One rather scary thing which Ecker commented on was a procedure known as "Blood Boosting". As I understand it, an athlete, one month prior to some strenuous competition, had a quart of blood drained from his body. He continues to train while his body replaces the blood removed. Just prior to the event, the quart of his own blood is injected into his system---giving him superman strength and endurance! Tom wonders what this is going to do to athletics!

CAPTAINS 'TENTION!

Doug Valentine advises he will call on each Team Captain next Wednesday to report the progress of his team recruiting new members. Teams #1, #4, #11, #19 and #21 have filled their quota and are in the clear. This leaves 17 Teams still to come thru with a new member. Doug points out that President Ed Colton has done more than his share, having recruited more than one new member. Doug points out that President Ed Colton has done more than his share, having recruited more than one new member. Even one new member--brought in a new member! Don't have space to list team members and captains, but just to refresh your memory, listed below are the Team Captains, as published in the July 14 issue of the Bulletin---

TEAM	CAPTAIN	TEAM	CAPTAIN	TEAM	CAPTAIN
1	Adney	9	Helm	17	Power

THIS WEEK---August 23, 1972

Roosevelt Hotel---A slide-story about Haiti by Chicago Consulting Engineer Bob Jones. Jones is currently supervising the installation of a radio broadcast station in this mysterious, backward republic in the West Indies. Haiti and the Dominican Republic comprise one island of the W. Indies, the island situated between Cuba and Puerto Rico. Sounds interesting. Isn't that the land of Voodoo?

NEW LEWY

At a caucus last Sunday at Vinton, Ed Colton was elected KIWANIS' Lt. Governor, effective October 1, 1972. We are proud and hope your term of office is pleasant, challenging and satisfying, Ed. Congratulations from your fellow Downtown KIWANIANS.

THE STRETCH!

Two weeks to go! Don't ease up! We're doin' good but now isn't the time to ease back in the harness! If you haven't guessed by this time---I'm talking about the membership drive. Doug Valentine points out that considerable progress has been made but we still have quite a ways to go to reach that goal of 22 new members! And let's not leave it to the team captains---they need the help of every team member. Remember the deal? Each member of a team which doesn't sign up a new member, will be asked to contribute \$2.50 to the kitty. But Doug doesn't want your money! He wants new members! And you still have two weeks! Have you asked that fellow down the street; in the next office;.....?

WELCOME TO A FINE ORGANIZATION

Officially inducted into the Downtown KIWANIS last Wednesday---
Bob De Meulinaere---Recently moved to CR from Davenport; Brenton Bank.
Phil Klinger---CR native and Asst. Linn County Attorney.
Dennis Otting---5 years in CR; MorAmerica Mortgage Co.
Rex Schrader---2½ years in CR; Morris Plan.
Jim Wood---2 months in CR; Social Security Office.
Virgil Woodford---CR native; Woodford Real Estate.
Gene Young---2 years in CR; Washington National Insurance.

LAST WEEK

Frank Bates predicts the Raiders will make Cedar Rapids "Packer-land of Iowa"! But he asks that you not bet all of your money on the Raiders this first year. He admits that the team and the coaching staff may have a few problems to solve before the Raider Semi-pro Football Team will shape up into a smooth running machine. Bates says it took the Packers 30 years to get where they are today. He only wishes he were 20 years younger and thus would have a better chance of living to see his prediction come true.

The Raiders belong to the Midwest League which includes the Quad Cities, Des Moines and Omaha. However, the Raiders first game will be played in Indianapolis on September 2; the second game at the Quad Cities on the 9th. He says the players and his coaching assistants are a fine bunch of men with a sincere interest in football. Bates last coaching assignment was at City High in Iowa City. He mentioned having spent 30 years in the field of education. Frank Bates says if you personally don't have any interest or enthusiasm for semi-pro football such as will be played by the Raiders---please don't knock it! Just don't talk about it! He sees coaching the team as a real challenge and is confident that the enterprise will succeed. He asks that we all give him a hand to make it so!

ANNIVERSARIES

Orie Lawrence-----August 19, 1931.
Jim Downing-----August 13, 1947.

Orie, 41 years! Jim, 25 years! What can one say? Especially what can one, who has been a member for only two years, say? Orie and Jim---wish I had memories of that many years of KIWANIS' associations. I have enjoyed immensely my two years with the Downtown KIWANIANS. Just the fact that you, Orie and you, Jim continue to find time in your busy schedules to attend the Wednesday noon meetings is proof enough that the Downtown KIWANIS "wears well".

IOWA CITY INTERCLUB---Tuesday, September 7, Noon

Rick Chandler advises that we have been invited to visit and have lunch with the KIWANIS Club of Iowa City at the Memorial Union on Tuesday, September 7. University of Iowa Football Coach Frank Laterbur will be the speaker. This is an annual combined service club football luncheon. Tickets will be available at the door (\$2.50). In a letter to John Palmer, Iowa City KIWANIS President William Coen states---"If you wish to make this an interclub visit, just let us know and we will be looking for you. Of course, you are always welcome any Tuesday to visit us at the Knights of Columbus at noon."

LAST WEEK

Jack Thornton, Manager, First Mid-America, Inc. I only heard the last five minutes of Mr. Mr. Thornton's talk---but I suspected that he wasn't Consulting Engineer Bob Jones describing Haiti! Jones called Dick Landis from Michigan on Wednesday morning saying he wasn't going to be able to keep his speaking engagement! The Manager of First Mid-America graciously agreed to cover for Jones and discussed his specialty.

THIS WEEK---September 6, 1972

Roosevelt Hotel---Dr. Samuel Enoch Stumpf, President of Cornell College. Dick Landis admits he doesn't know the subject of Dr. Stumpf's presentation-----and I'm not going to make any predictions this time. (Have noted that whenever the Program Chairman and/or Editor think they know---but haven't been given an exact title by the speaker-----the speaker always selects a subject other than that slated in the Bulletin!)

DRIVE CONTINUES

Doug Valentine feels the results of the membership drive have been reasonably good to date. But pleads---keep pitching! There is still a good possibility that we can attain that goal of 22 new members before the beginning of the new KIWANIS' year. But it will take effort!

INVOCATION SCHEDULE

September 6-----Jim Luhrs
September 13-----Ron Moore
September 20-----Warren McAllister
September 27-----Roy Parker

INTRODUCED

New member Peter Bailey, Asst. Vice President of the Merchants National Bank was introduced by Vic Bock. Am sure I haven't reported all of the new members----but we will have another official induction one of these Wednesdays - and I will catch up. Nice having you join us, Peter.

OFF KEY

Gene Young---you will have to bear with us for a few weeks. We haven't been used to singing to music, recently. Will take some time to forget that low-fidelity sound that Ed Colton has been foisting upon us! (Ed---I'm not criticizing the pianist. Just that infernal electronic machine of yours.) Gene, we truly appreciate the fine "live music" as your fingers move over the 88.

HEART FUND HEAD

The Cedar Rapids Gazette of August 29 reports that----Bob DeMeulenaere, who recently joined the Downtown KIWANIS, has been elected president of the Linn County Heart Unit of the Iowa Heart Association. We may not have much money---but we all have hearts, Bob, and will do what we can to help.

LAST WEEK

Can't say the thought of Dick Landis and Ed Colton "analyzing" the KIWANIS' District Meeting exactly sent chills of anticipation running up and down my spine----when Ed mentioned "that" as the August 30 meeting. But it came out good! There must be a number of "old duffers" with ears burnin' in the District tonight! Dick and Ed did a thorough job, the consensus seemed to be that the meeting was anything but "a learning experience", as time wasted - observing a group of old cronies reminisce and brag about their achievement since the last KIWANIS' District Meeting!

Am sure Orie Lawrence spoke for the majority when he stood up and congratulated Dick and Ed for having the guts to come back and report the fiasco and make recommendations for action to revise the program into an affair which will inspire the attendees to return to their clubs with new enthusiasm and knowledge to help achieve the KIWANIS' goals. Orie said that their description jibed exactly with what he had observed many years ago when he attended the District meetings. He urged Ed and Dick and others with young ideas-----and energy to get in there and oust the "old fogies". Ed Colton, as Division Lt. Governor, may be in a position to do something about it. Ed, you have our blessing and support.

VISITORS

Fred Mains of Meza, Arizona invited us all to visit Arizona and the KIWANIS next February.
Bob Kindervag, new Manager of KHAK, guest of Dick Landis.

THIS WEEK-----September 13, 1972

Roosevelt Hotel---Brigadier Josef Korbél, Salvation Army--Evangelism Department, Chicago District, will speak to us on Wednesday. Brig. Korbél was born in Czechoslovakia in 1907. He was trained as a textile designer and was indifferent to religion until he heard the Salvation Army on the streets of Prague. Korbél became interested in the Salvation Army and their works, joined the organization and was later accepted into the Salvation Army Officer Training Program. He married a Salvation Army Officer and spent some 20 years in Czechoslovakia helping mankind thru the Army program. When politics changed and Czechoslovakia was overrun, Josef Korbél was imprisoned. He spent ten years behind the bars and wasn't released until 1959. During this period of imprisonment, Mrs. Korbél worked as a nurse to support the family of three children. In 1968 Korbél was permitted to leave Prague and moved to Switzerland where he spent 2½ years before coming to the United States. His experiences behind the Iron Curtain were as "unreal" as the events of the past week in Munich.

BOARD MEETING-----Tuesday Noon, September 12, Bishop's Downtown.

LAST WEEK

Dr. Samuel Stumpf, President of Cornell College, Mt. Vernon, Iowa---discussing college problems, financial, curricula and students. I wasn't at the Roosevelt Hotel last Wednesday noon either. However, my reliable sources advise that we missed an authoritative discussion-----with emphasis on a subject close to the hearts of many of us, the modern college student.

Dr. Stumpf doesn't agree that the kids are all that bad! Beneath that long hair are a high percentage of fine, concerned young people. If they have a common fault it is that they want too little for themselves. They are not nearly as self-centered and selfish as my generation. They sincerely feel there must be a better way. (We'll have to admit we haven't done such a hot job!)

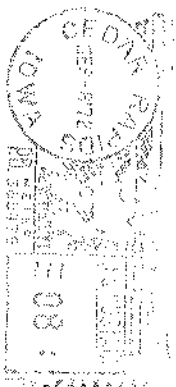

Their definition of "success" is quite different from ours. Money and security means less. Peace and a better understanding among men mean more. How can we say they are wrong? We also yearn for what they are striving for. Possibly their approach bothers us because we think they are too naive, we've been down that road, it didn't work,-----!

THE MEMBERSHIP DRIVE ENDS SEPTEMBER 30. Still time to invite that friend or acquaintance to join the Downtown KIWANIS!

THIS WEEK-----September 20, 1972

Roosevelt Hotel---Cedar Rapids Professional Photographer George Henry presenting the "River Odyssey", a color and sound motion picture of an exciting ride down the rapids of the Green and Yampa Rivers of Utah/Colorado thru Dinosaur National Park on a raft! George Henry is a pro in both areas----a well established and accomplished professional/industrial photographer and a licensed guide and river pilot who regularly each year spends the summer months taking groups of brave and adventurous fellow Americans down the river for a look (from the bottom up) at the beauties of the Rocky Mountain river canyons. Henry has been riding a raft for 16 summers. The trip down the canyon takes five days. He usually makes five to ten trips per season. The party camps on shore each night and the guide cooks the meals for his guests.

Here is your opportunity to see the sights without danger of getting dunked in the mountain dew. Apparently the dunking really does happen----no doubt, a rare occurrence! But just to assure that none of the "adventurers" stays down, should the raft tip, each is required to wear a life jacket at all times. Henry has taken many important and famous personalities successfully over the route and the rapids----ambassadors and foreign dignitaries; Andy Williams and others of the show-business world, in addition to other well-known Americans. (You may recall that Life magazine ran a feature on the "Rapid Ride" within the past year or two.)

OCTOBER 4-----Montrose Hotel

One big and important affair! Our own Ed Colton will be installed as Division 8-Lt. Governor ----and it is Ladies Night. More details later, but be sure to schedule this date. Montrose Hotel, 6:30 P.M., October 4, 1972. Members from other clubs in Division 8 are being invited. (Gals----If the Old Man lets you read this sheet, bring it to his attention that you are looking forward to a night out at the Montrose on October 4th!)

NINE TO GO

Doug Valentine advises we need nine more new members to make our quota----and only two weeks remaining!

ELECTION

Charles McIntyre has been nominated to replace Russ Mueller on the Downtown KIWANIS Board. As you are aware, Russ will take office as 2nd V.P. and Program Chairman on October 1. Election will be held Wednesday, September 20. Nominations from the floor will be welcomed.

HONORARY MEMBER-----OSCAR ANDERSON

It's now official---and Oscar has a certificate to prove it! Last Wednesday President Colton presented a Legion of Honor Certificate to Oscar Anderson making him a Honorary Member of KIWANIS. Forty-five years in KIWANIS (July 1, 1927) and 90 years on planet earth, as of last May 4, 1972! And Oscar has been with Equitable Life Insurance Company of Iowa for over 55 years! What can one say that hasn't been said---Congratulations, Oscar. As a "Johnny-Come-Lately" to KIWANIS, I feel it a real honor to be a fellow Downtown KIWANIAN.

SPEAKING OF RIVER RIDES

Understand Hugh and Helen DeWees gave the Ladies of KIWANIS an interesting tour of America's inland waterways thru the media of a narrated slide show at the Elmcrest Country Club last Wednesday afternoon.

LAST WEEK

Appreciate what you have being an American and a citizen of these great United States----and be alert to assure that you don't lose it. That was the message Salvation Army Brig. Josef Korbelt left with us last Wednesday. He saw his homeland, Czechoslovakia, change from a peaceful and industrious country to a nightmare of suffering and torture. He, his wife and two of their three children lived thru those days of horror from 1948 to 1968 (when they were permitted to leave Prague). One son was shot---and it is a modern miracle that Josef Korbelt lived to tell his story. It is a moving story, one which every American should hear-----but I feel unqualified to write Brig. Korbelt's story. If you ever have another opportunity to hear Josef Korbelt, I recommend you make every effort to do so.

NEW SOURCE

Noticed Arnold Herbst taking notes last Wednesday noon while we were eating lunch. (Prior to the program.) Arnold and I were sitting at the same table----with Joe Stenner, among others. Joe was in rare form and provided Arnold with a wealth of original material!

THIS WEEK---September 27, 1972

Roosevelt Hotel---Bill Williams, Assistant Special-Agent-in-Charge of the Omaha office of the Federal Bureau of Investigation telling us what the FBI really does. For instance, what do the FBI Agents stationed in Cedar Rapids and Des Moines do? Possibly you know. I don't. Scotland Yard has always seemed more interesting. But probably only because Sherlock Holmes and his sidekick made it sound so intriguing. But there was a period when the "G Men" were our heroes. FBI on radio and TV has never quite measured up. Here's our opportunity to find out what goes on behind the scenes from one who understands the operation.

PROGRESS

Doug Valentine advises we have signed up fourteen new members since beginning the membership drive. But a number of the old members are suggesting the drive be extended another couple of weeks---so some additional members who are on the verge of joining can be counted in the drive results. Doug says he plans to consult with his committee this week and a decision will be forthcoming shortly. You will recall the original goal was 22 new members---eight to go!

NITE OUT----October 4

Same time. Same place. Montrose Hotel, 6:30 PM, a dinner meeting. And you gals are still included. But the "Quarterbacks" got their heads together and changed the signals on me. On the evening of October 4, the new officers of the Downtown KIWANIS will be installed---not Lt. Governor Ed Colton, as previously announced!

But we'll have Ed Colton's inauguration in November, with Governor Carl Hays scheduled to be on hand and do whatever is normally done on such occasions. And this will also be a ladies' night. (Women's Lib appears to be catching on among the Downtown KIWANIS.)

FAIR VISITOR

First Mate Helen DeWees had lunch with the Downtown KIWANIS last Wednesday. Just possibly the George Henry program had something to do with her visit. Nice having you with us, Mrs. DeWees.

LAST WEEK

So you never get sea sick? Understand a few of the Downtown KIWANIS wondered if they were going to have to look at their lunch a second time as they watched George Henry's movie of the trip down the Green and Yampa River Canyons by pontoon boat. The rides or tours are managed by Hatch River Expeditions, Inc. of Vernal, Utah. The tours operate from May 1 to September 16. The speed of the boats varies from as slow as 4 mph in quiet stretches to 15 mph as the 27-foot boats shoot the rapids. Apparently this isn't a side trip one decides to do on the spur of the moment. Normally reservations must be made well in advance. Hatch River Expeditions has been operating since 1924. One can drive in or fly in to the Hatch Headquarters at Vernal. You will be returned to the starting point after completion of the trip down the canyon. Sounds like an exciting and different vacation for the adventurous. Especially for the younger ones. Bob Armstrong, for example. Ask him about his vacation plans for one of these summers!

THIS WEEK---October 4, 1972

MONTROSE HOTEL---Ladies Night and New Downtown KIWANIS Officers Inauguration!
"Social Hour": 6:00 PM; Dinner 6:30 PM followed by the installation of the officers for the KIWANIS' year beginning October 1, 1972. Organ music during dinner and musical entertainment following SHORT speeches by outgoing and incoming officers. (Understand the old vaudeville hook will be manned in the wings to take care of the long-winded!) Ed Colton is stepping up from the presidency of the Downtown KIWANIS to become Division Lt. Governor. Bill Jameson will be installed as President for the '72-'73 year. Dick Landis will become 1st Vice President and Russ Mueller 2nd Vice President. (Ed Colton will be installed as Division 8 Lt. Governor early in November. Keep the date in mind. What date? I'll let you know as soon as I find the paper I had it written on!)

Tickets for the dinner are being mailed to you for this October 4 affair. If you haven't received yours, give Ed Colton's office a call. That's what he said--- but possibly the tickets will be in Monday's mail!

NEW MEMBER INDUCTION

The following new members were officially inducted into the Downtown KIWANIS last Wednesday:

Pete Bailey---CR native; U of Iowa; Manager of the Merchants National Banks' Investment Dept.

Jim Bennett---CR native; Coe College and U of Iowa Law School; Attorney with the Law Firm of John Randall.

Ken Hunter----Moved to CR from New Orleans a year ago; with Quaker Oats.

MEMBERSHIP DRIVE

Doug Valentine advises the membership drive has been extended a couple of weeks. Goal is within sight. Doug asks that paperwork be finished so the membership applications can be completed, approved and the prospect converted to a member.

DICK DID IT!

Program Chairman Dick Landis arranged for 52 programs, with narey a flub or a dud! Speaking for myself---and I believe the other 99 members of the Downtown KIWANIS--- it has been a most enjoyable and educational series of programs, Dick. We appreciate your efforts. Know you have been a bit concerned a few times that you wouldn't have a speaker. But the only one I remember that didn't make it was that consulting engineer who was in Michigan when he should have been in Iowa! But with some fast foot work, you recovered quickly and we enjoyed the replacement speaker. Your new office as 1st V.P. gives you a breather!

GUTTER BALLS

Downtown KIWANIS' Bowling Team Captain Bob Butterfield gave us a status report on the team's progress and standing last Wednesday noon. But I'm not sure what he told us! Think it was an engineer's aconomic analysis of a bear bowling score trend---but I may have the wrong interpretation! There was a certain bull overtone to the whole thing.

LAST WEEK

1970---26 aircraft hi-jackings; 1971---22 hi-jackings; thus far 1972---32 hi-jackings! And if you know how to stop them, or even reduce the number, give any FBI Office a call. Bill Williams, Special Assistant to the Agent-in-Charge of the Omaha FBI Office told us last Wednesday Noon that there doesn't appear to be a solution to the problem. He said the airlines now seem to fully recognize that the problem isn't going to go away. Passenger and baggage scrutiny of boarding passengers is being given top priority, but as was pointed out, not all hi-jackers get aboard via the loading ramp. At least two have boarded planes while the aircraft were far from the ramps being readied for service with just the crew aboard. The FBI has authority while the plane is setting still on the field. When airborne or taking off or landing, the FAA is responsible. With 150 million air passengers per year, it is no small task and responsibility. Airplane hi-jackings and hostage/kidnap robberies of banks are the two categories of crime which are currently being given priority attention by the FBI, according to Williams. Bill Williams grew up in North Carolina; spent some time as a Marine; graduated from college and joined the FBI in 1952. Assignments prior to the current one at Omaha, included Albany, N.Y.; Newark, N.J.; Tampa, Florida and Washington, D. C.

THIS WEEK---October 11, 1972

Roosevelt Hotel-----Ted Ellsworth, Republican Candidate for Congress from the Second District. (The following is quoted from campaign literature picked up at the "ELLSWORTH FOR CONGRESS" Headquarters.) He is a native of Dubuque and he and his family "live on the same corner where the Ellsworth family has been for over 100 years." His business is insurance and farming. He was the "first Dubuque County Republican to be elected to the House of Representatives in the Iowa Legislature in a regular election (1968)." Ellsworth is an Episcopalian and a Republican-----soooo, being elected from a Catholic/Democratic community such as Dubuque---may well be something to brag about! He was reelected in 1970, carrying every precinct in the District. "Of the 26 major accomplishments listed for the 1972 session, Ellsworth was the driving force behind nine of these."

Ted Ellsworth joined the British Army during WWII before the U.S. entered the conflict and became an officer and troop leader under General Montgomery in North Africa; transferred to the American Army in 1944 and became Rifle Company Commander in General Patton's Third Army. He was captured by the Nazis, spent time in prison camps, escaped and returned to the Allied Army thru Russia and Egypt. Ted Ellsworth is 54; a graduate of Dartmouth; is married and has four daughters and one son.

BILL FRANEY

Bill's funeral was held at St. Matthew's Church last Thursday. His death wasn't unexpected, as he had been very sick for several months. I'll miss Bill. Hadn't met him until I joined the Downtown KIWANIS some two years ago. But from that first day, I knew I had a friend in Bill Franey. Everyone who knew him seems to agree. That was Bill.

LAST WEEK

Some eighty Downtown KIWANIS, wives and guests attended the inaugural dinner at the Montrose Hotel last Wednesday evening. The officers for the '72-'73 KIWANIS' year were installed with a minimum of boring speeches. (Ed Colton insists he talked less than ten minutes! Seemed longer than that to me, Ed!) Kidding aside--it was a fine affair. If you were there, you know what I mean. If you weren't, recommend you try to arrange to attend at the next opportunity---such as November 9 when Ed Colton will be installed as Division 8 Lt. Governor at a time and place to be announced!

Bill Jameson accepted the key position, and the challenge which goes with it, from out-going President Colton. 1st Vice President Dick Landis and 2nd Vice President Russ Mueller stepped forward and picked up the gauntlets which their predecessors had thrown down. (Understand Russ had his baptism under fire Tuesday evening when Jim Loyd advised that he was sick and wouldn't be able to be "the program" to follow the "swearing-in." He says he considered taking the razor to his wrists--but thought better of it and proved he is of the stuff V.P.'s are made when he took Dick Landis' suggestion and called Grant Price. Price graciously agreed, as long as he didn't have to smoke a cigar. Incidentally, Russ, I'm convinced after hearing Jim Loyd on the "Open Line Thursday afternoon, that he wasn't faking that sick spell. He sounded a lot like Andy Devine!)

Grant Price told us a most interesting and enlightening---and heart-rendering---story of the Philippine people and their problems. A WMT crew returned from the Philippines two weeks ago, just prior to President Marco's declaration of martial law in the "republic." The purpose of the trip was not to document the political problems of the country, but to gather news and documentary data on the activities of the Church World Service and CROP, aid programs funded by churches and the U.S. Government. Obviously, the Philippine people are "getting it" from all directions. An almost feudal system of land ownership and control; corruption at all levels of government and recently, a flood which makes the 15 inches of rain received in Southwest Iowa sound like a trickle. But---as we have heard before---the Philippine people don't want handouts. They want to earn their living and improve their way of life thru their own efforts. But they need help---financial and physical---so they can help themselves. Progress is being made, but Grant Price couldn't predict what effect latest turn of events---martial law---will have upon the situation.

BOARD MEETINGS

Decision was made by the Downtown KIWANIS Board last week to hold Board Meetings the first Tuesday noon each month---instead of the second Tuesday. The meeting place is still the same---Bishop's Downtown. Board members and Committee Chairmen are encouraged to attend. All members are invited. Attendance at a board meeting counts as a make-up---in case you can't attend on Wednesday some week.

HELP!

Jim Rasley points out that we need to place more gumball/candy machines in strategic locations. You will recall, Jim passed out sheets of paper recently asking for your suggestions and help to arrange with a responsible person in a business/industry for approval to place a machine in a high density traffic path. (Walking/running kids' paths, in particular. Someone suggested that one of the better places is near the entrance to the restroom!) The money the Club makes from the machines is used to pay dentist and doctor bills for youngsters needing dental care or eye treatment/glasses, where parents are unable to pay the bills. Give Jim Rasley a call if you have a suggestion, need another blank or have arranged for placement of a machine.

FINE EXAMPLE

Frank Race was recognized for two years of perfect attendance during last Wednesday's meeting. As President Bill Jameson pointed out, Frank does it in spite of the fact that he divides his time between CR and Florida. Last year he even had a couple of spares. Fifty-four meetings attended!

INTERCLUB---Dubuque, Noon Monday, October 30. Call Rick Chandler if you can make it.

MEMBERSHIP LIST

Joe Power is working on the list to print on the Bulletin. He needs your cooperation!

LAST WEEK

If you don't like what you heard last Wednesday, be sure to attend the November 1st meeting. Program Chairman Russ Mueller advises that John Culver has agreed to tell his side of the story at the Roosevelt, Wednesday Noon, November 1.

Whether you are for him or against him---Ted Ellsworth sure sounds like a fighter! And he has documented proof from childhood (fought the Dubuque Catholics to a standoff---he is an Episcopalian!); thru WWII and two terms in the Iowa Legislature. (Is this a Republican or a Democrat newspaper?) Ellsworth admits to starting this campaign as very much the underdog for the 2nd District seat in Congress, but he is working night and day to overcome that handicap and get his story to the voters.

From my notes: Iowa has not had a Congressman from the community of Dubuque since 1912; one-third of the voters in the 2nd District live in Linn County; Nixon won't have been president for four years until January---Still has 2½ months to get us out of the Vietnam conflict; Ted Ellsworth states in answer to the four most often posed questions---(1) Iowa's abortion laws should not be liberalized, (2) Marijuana should not be legalized at this time, (3) Amnesty should not be granted those who have left this country to avoid the draft and (4) The "gun laws" should not be changed, but the existing laws should be enforced. Ellsworth believes in a strong military defense to maintain peace and feels isolationism and peace without strength is an idle dream.

THIS WEEK---October 25, 1972

Roosevelt Hotel---A brief discussion of GE Cablevision following committee meetings. If you haven't read it in the Gazette---or haven't understood what you have read---here is your opportunity to find out what it is all about. You will be asked to vote for or agin' the granting of a cable television franchise to General Electric Cablevision come November, you know. And the committee meetings---this will probably be the first meeting of most of the committees for the '72/'72 KIWANIS' year. If you don't know to which committee you have been assigned---this will be your opportunity to find out!

RETIRING

After more than five years of Chairmanship of the Welfare Committee, Frank Wilbur has stepped down. Your efforts have been greatly appreciated, Frank---a sincere and friendly contact with the outside world thru a fellow KIWANIAN, when one is down but not out. As the new Welfare Chairman---Bob Rush just asks that we all stay healthy!

KEY CLUB SPONSOR

If you know a teacher or counselor at Washington High School who might be a prospect for sponsor for a KIWANIS' Key Club at that school, give Charlie McIntyre a call. Charlie's committee has followed the normal route thru the Activities Coordinator of Washington, but, to date, has had no response.

NOVEMBER 9---Montrose

The word is out. The installation dinner for Lt. Governor Ed Colton is scheduled as a dinner meeting and ladies night at the Montrose Hotel the evening of November 9. (Gals---Remind the OM that you are ready for a night out. Like November 9th, for instance!)

LAST WEEK

Don't think that Gus Schrader wanted to get into a discussion of the Olympic tragedy! His slide presentation covering his trip thru Holland, Germany and Austria conveniently used up all of the time available for the program! (Don't get me wrong. I enjoyed every minute of Gus' presentation, but had been looking forward to hearing his comments as a journalist who was on the scene.)

Gus' opening remarks were interesting---Like many of us, he feels the Olympics should go on; the athletic field is one of the few opportunities that Americans get to see that the Russians really aren't so different after all, and vice versa; all have the same interests and are basically nice guys, in spite of what politics and policies make it appear; unfortunately, the bad news, (as usual), rated the headlines, but Gus says good news doesn't travel fast---or sell newspapers; he felt there was some unfair officiating---but he wasn't exactly proud of some of the "American cry-babies" either; and while it is true that most of the Russian athletes are the equivalent of our pros in age and experience, we aren't exactly clean when it comes to financial support, full scholarships, etc.; and Gus feels this country needs all the friends we can get, the Olympics being one of the few ways to get together and learn to know each other outside the political arena. In other words, Gus Schrader believes that the world has a lot to gain by continuing the Olympics. Again, isolationism is a thing of the past! The key to survival is understanding and cooperation--in any way that it can be attained!

ROOSEVELT HOTEL WEDNESDAYS 12:15 NOON

October 27, 1972

Vern Perry, Editor

THIS WEEK---November 1, 1972

Roosevelt Hotel---Incumbent 2nd District Congressman John Culver telling us like it is on Capitol Hill. You recently heard Ted Ellsworth, the Republican challenger. Here, just in time to help you make up your mind for the election is the man who has represented you for several terms. (Possibly I haven't been reading the right newspapers, but Culver sure doesn't appear to have been getting much press coverage. Maybe he doesn't need it. Maybe he will be a "shoo-in," as we say down at the track. Or what do you think?)

INTERCLUB---Dubuque, Hotel Julien Dubuque, Noon, October 30. Give Rick Chandler a call. Several are going but they would like to have you go with them!

NEW MEMBER INSTALLATION---Wednesday, November 1: Robert Kindervag, James Oetken and Kim Stevely.

PREXY PAWS---Noted our new President Bill Jameson was well organized until he came to the point in the proceedings where someone normally asks for HIS blessing. Bill fumbled a bit but recovered quickly, asking Arnold Herbst to come to his rescue.

DRIVE ENDS

While the goal of the membership drive which began July 1, 1972, was to recruit new members for the Downtown KIWANIS, the game plan which penalizes those teams which do not come thru may provide an unexpected windfall of cash to help carry on our club projects. (This may appear to be emphasizing the negative, but I don't have the final, firm list of new members recruited during the drive---and Doug Valentine asks that I advise some of you that you have missed the boat, and you now owe the club treasurer \$2.50.) The current drive has ended and teams number 2,5,6,7,8,9,10,14,16, 18 and 20 have not found a new member. Overall, the drive appears to have been very successful, with two of the other eleven teams recruiting three members each. If your name is included in the following list---you owe Treasurer Holvenstot \$2.50: Bachelor, Bickel, Blinn, Anderson, Cosgrove, Crumrine, Downing, Correll, Dresher, Dye, Ed Bock, Hynden, Fahrney, Fenner, Fisher, Kennedy, Garske, Gee, Rasley, Gravelle, Greenlief, Helm, Loomis, Haaland, Herbst, Holvenstot, Kluss, McFarland, McIntyre, Matteson, Manville, Palmer, Parker, Perry, Pratska, Rush, Sanborn, Schultz, Sandercock, Root, Gable, Rapp and McGrath.

MONTROSE HOTEL---November 9; 6:00 Social Hour; Dinner 6:30. Ladies Night, you know. And, incidentally, the installation of Ed Colton as the Lt. Governor of the District. Strictly an informal affair, I understand. Come as you are, in other words! And Ed has agreed to hold his philosophical lecture (his acceptance speech) to such a length that you will hardly notice the hardness of the chairs! Tickets will be mailed to you with next week's issue of the Bulletin. Mark the evening of the 9th on your calendar, right now, while you think of it!

PUBLIC SERVICE ANNOUNCEMENT---As they say on/in the Pro Media: November 6, 3 p.m. to 9 p.m. & 7, 9 a.m. to 3 p.m. Holiday Food Carnival, sponsored by the Iowa State University Extension Service, Hawkeye Labor Council Bldg., 1211 Wiley Blvd. S.W.

GUM BALL MACHINES---Jim Rasley hasn't heard from you! He still has a few machines left that he would like to place. (Jim, how about a few machines on wheels which could be spotted at one night, or one day affairs, such as weddings, dog shows, blanket parties, etc?)

LAST WEEK

For those who want more television, Cable Television appears to be the thing. Practically perfect reception of the four stations we currently receive plus, initially, two additional, WGN-TV and WSNS-TV from Chicago, and the possibility of more later. 24-hour a day television for those who have insomnia; teletype news and weather information 24 hours per day and background music on one channel are some of the other advantages cable television will bring those who are willing to pay \$15 for installation and the five bucks per month thereafter. If GE Cablevision is given the go-ahead to negotiate a non-exclusive franchise with the city, they will build an antenna high enough and with enough gain to receive Chicago stations. Cables will be run on existing utility poles, or, if the utilities are underground, the cable will be put underground. If you feel you can do without all of these goodies---Cable TV will cost you nothing. (NOTE: This election is not a bond issue. No public funds are involved.) Incidentally, one of the more appealing facets to many might well be the opportunity to view local events---school board meetings, high school games, exotic dancers, etc.---on either a real time or delayed basis. Equipment and TV channels will be available to bring these local activities into your home. As Gil Ormson and Greg Oswald of GE told us last Wednesday noon, if you don't subscribe, it won't cost you a cent---but it will increase local employment (especially during the construction phase) and will add tax revenue to the city kitty each year. You decide. But, whatever your decision, express it by voting November 7!

ROOSEVELT HOTEL WEDNESDAYS 12:15 NOON

November 3, 1972
Vern Perry, Editor

THIS WEEK---Thursday, November 9, Dinner 6:30 PM

Montrose Hotel---Thursday, November 9, 1972. Yes, that's right. Montrose Hotel. Social Hour-- 6:00 PM and Dinner-- 6:30 PM. Tickets are enclosed for you and your friend (or wife). An important occasion. The installation of Ed Colton as Division 8 Lt. Governor! Let's give our most recently retired president an encouraging send-off as he expands his activities beyond the horizons of the Downtown KIWANIS. Representatives from other clubs in the Division have been invited. See you at the Montrose Thursday evening. No meeting Wednesday noon at the Roosevelt---- but you can sign in if you can't make it to the Thursday dinner meeting.

BOARD MEETING

Tuesday Noon. Downtown Bishop's. From now on the Board Meeting will be held the 1st Tuesday of each month, instead of the second Tuesday. Board members and Committee Chairmen, your attendance requested. Members---a good opportunity for a makeup, and we would like to have you. Chairman---your monthly reports due to Joe Power.

WE'LL DO IT THIS WEEK

Installation of new members Robert Kindervag, James Oetken and Kim Stevely.
KIWANIS LADIES MEETING---Wednesday, November 8, 1:00 PM. Place: METH-WICK MANOR.
Program: "Christmas Gift Ideas".

LAST WEEK

Yeh, he did. Congressman John Culver told us in no uncertain terms how it was with him in Congress. Ted Ellsworth's ears must have been burnin'. Culver put the record straight! About this attendance bit, I mean.

As a project for next session, John Culver is taking the initiative to help revise the Congressional committee structure to bring it up to date with 20th Century demands and priority requirements. He told us the unwieldy committee set-up is still structured for the 19th Century with built-in bottlenecks related to seniority and obsolete procedures. Some changes were made during the past session of the Congress but he feels there is much to be done to streamline the operation. Another goal is to restore "economic sanity." John Culver has represented the 2nd District in Congress for 8 years. His undergrad work was in American Government at Harvard; then after study at Cambridge under a scholarship, Culver returned to Harvard where he was awarded a degree in Law. Program Chairman, Russ Mueller, is to be commended for giving us the opportunity to hear both Ted Ellsworth and John Culver prior to election. It was great!

TWO MADE IT

The Dubuque inter-club didn't get off the ground last week. Or, possibly that is a bit crude. Only Rick Chandler and Bill Jameson made it to the KIWANIS meeting at Dubuque. Bill reports it was a fine meeting with a great group of fellow KIWANIANs. The program, "The Police Department (Dubuque) Communicates with Youth," by Leo Kennedy.

VISITORS

Tom Heabel of Heabel's, the Builder's Department Store, guest of Orie Lawrence.
Phil Secman of IE's Insurance Dept., guest of Joe Greenlief.
Mrs. Grant Williams and daughter, guests of Grant Williams.

INTERNATIONAL LIVING BANQUET

Dick Landis points out that there will be an experiment-in-International-Living Banquet at the Coliseum Saturday evening, November 11. The Secretary General of this World Wide Program from Rome, Italy will attend---his only appearance in the United States. Tickets are available from the Chamber of Commerce. You will recall that the Downtown KIWANIS contribute a substantial sum each year to help finance the program locally and send a high school student abroad.

ANYONE FOR A PENNY CONFECTION MACHINE? Jim Rasley still has a few left and is looking for locations for them. (In case you don't recognize the name, we used to call them gum ball machines!)

THIS WEEK---Thursday, November 16, 1972

Roosevelt Hotel---THURSDAY Noon. A joint meeting with the Noon Lions to hear Robert Morley. I understand Mr. Morley is being brought to Cedar Rapids by the Executive Club. They are paying the speaker his usual fee--which I have heard is well beyond the "small potato range". As long as he is in town, Mr. Morley has agreed to speak to the service club joint meeting for free. NO MEETING ON WEDNESDAY, NOVEMBER 15.

November 22nd the student the Downtown KIWANIS helped sponsor in the Experiment in the International Living will appear and tell us something of his experiences in Argentina.

LAST WEEK

Some sixty-five Downtown KIWANIS, their wives and representatives of KIWANIS Clubs in Cedar Falls, Vinton, Marion, East Side Cedar Rapids and the Cedar Rapids Metropolitan Club met at the Montrose Hotel for dinner and to witness the installation of Ed Colton as Lt. Governor of Division 8. Governor Carl Hays gave the address of the evening and installed Ed in his new official position. Governor Hays challenged the assemblage to remember the KIWANIS' theme for the year---SHARE YOUR LIFE---and asked that each of us do "his share" to make the theme a reality in our own lives and the lives of those around us. Ed Colton was charged with the responsibility of helping clubs in Division 8 to grow and share. (Appears that Ed is well into the swing of things---having helped install new officers in all clubs in the Division except Waterloo. Think Ed said that installation of officers in Waterloo is among his activities scheduled for next week.)

THIRTY

You really lucked out this week. Haven't time to dig up any more---and I haven't heard any good stories lately!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

November 17, 1972

Vern Perry, Editor

THIS WEEK---Wednesday, November 22, 1972

Roosevelt Hotel---The young man who went to Argentina this year on the Experiment in International Living. (Seems appropriate to have a low key, relaxing meeting, such as this one should be, after the Thursday meetings of the past two weeks!) What do you think of Peron's plan to return to Argentina? Possibly our young friend can give us some insight into conditions as they presently exist in that country.

ATTENDANCE---77.3% for October!

How about that! Joe Power wants all of you to know that things are looking up. Recall President Bill Jameson needling us by quoting attendance figures of over 90% for clubs he had visited. I wonder about the members of those clubs. How can that many fellows exist without having schedule conflicts? Anyway, the Downtown KIWANIS can, and should, brag about our record. There has been a steady improvement within the past few months. Secretary Joe points out that if you have to miss a meeting---why not join the Board for lunch at Downtown Bishop's the first Tuesday of the month? You will be given credit for attendance---just as if you had made the Wednesday noon meeting.

NEW MEMBERS

I'm going to say it again---New members Robert Kindervag, Kim Stevely, James Oetken and Tom Heabel will be installed Wednesday, November 22. (One of these weeks conditions will be such that the installation will actually take place!) Nice to have you with us Bob, Kim, Jim and Tom---but we'd like to make it official!

LAST WEEK

A dynamic and forceful speaker---and he doesn't straddle the fence---this fellow John Morley! (I feel I can say that much without fear of contradiction.) It was one of those speeches which are difficult to sleep thru. You either agree and applaud Mr. Morley---or you listen and cuss him and mumble under your breath, as a Lion who happened to be sitting near me did!

Dan Schwitters introduced his old friend John Morley. Obviously Dan only hit a few of the high spots of Morley's background and his long career in the field of international journalism. John Morley was born in Paris; was awarded his degree in law by the University of Chicago. His long and distinguished career as a reporter and adviser to the world's leaders, took him into areas and conflicts which many of us prefer to view from a distance. Twenty-three years covering the Vietnam affair, for example.

Mr. Morley made a few points---all international conflicts and disagreements have their roots in economics (and the associated hunger of the oppressed and downtrodden); President Nixon is the best "horsetrader" Morley has had the pleasure of observing in action. The Nixon trips to Peking and Moscow were more business negotiations sessions than political conferences---tungsten from China and gas from Russia for wheat, corn, rice etc.; the New York Times and the Washington Post are fine examples of newspapers which conform to the tabloid, sensationalist definition of publications which often cast objective reporting aside. The North Vietnamese are on the ropes, with large numbers of 12-14 year-old boys and girls being pressed into service to carry guns---Morley saw these youngsters in camps in the South, some captured in battle, but many defectors. Morley is a Rotarian of some 35 years standing. His excuse---the Rotary was strong abroad long before the KIWANIS and the Lions organizations were common on the international scene.

Enjoyed having lunch with the Lions Club. Should do it again sometime. The six Lions at the table with Ralph Dresher and me---really didn't seem like such a bad sort, in spite of that handicap. Almost like potential KIWANIS---who simply were led astray by association with the wrong people!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

November 24, 1972
Vern Perry, Editor

THIS WEEK---November 29, 1972

Roosevelt Hotel---Sherry Germanie, Coordinator of the Dropout Program for HACAP telling us of the problems and accomplishments of this most important program. Committees will have short meetings following the program.

NEW MEMBERS---Welcome: Tom Heabel of "Heabel's"; Jim Oetken, Sales Mgr. WMT-TV & Kim Stevely, of Crites & McConnell.

COMMITTEE CHAIRMAN NOTE

Secretary Joe Power is convinced the Committee Chairmen just don't understand the rules of the game! He's probably right. The organization of the committees is different than in previous years. Joe's concern is the monthly report which he is required to submit to the district office. He isn't being supplied with the information by you Chairmen!

There are four major committees and a number of sub-committees under each of the major committees. (You will recall that you were given a copy of the committee organization some weeks ago. If you can't find it---see the reverse side of this Bulletin.) Anyway---Joe is asking for reports from only the four Major Committees: Citizenship Services, Co-Chairmen Vic Bock and Vern Perry; Membership Development, Co-Chairmen Clarence Fenner and Arnold Herbst; Club Meetings, Co-Chairmen Duane Anton and Rick Chandler; and Youth Services, Co-Chairmen Stephen Root and Joe Stenner. But Vic & Clarence & Duane & Steve need your help. Please provide them with information so they can put a report together for Joe!

LAST WEEK

Juan Peron just may wish that he had stayed in Spain. Experiment in International Living Ambassador to Argentina, Marion High School's Ken Walton, told us last Wednesday noon that it appeared to him that only the University students were in favor of Peron's return. The older Argentinians remember too well the earlier Peron regime, when he initially became popular by being generous with government funds; then recognizing the barrel would soon be empty, he reversed his field and eventually had to flee for his life. Now it appears the students are not 100% behind Peron. The Cedar Rapids Gazette, Wednesday November 22, reports----- "...elements infiltrated the Peronist youth movement and are prepared to make a direct attempt against the ex-president..." The same news report---"Early Wednesday more than 50 heavily armed police were stationed in front of Peron's house and nearly 500 more were patrolling the neighborhood." Ken Walton said that he was extremely surprised when he heard that Peron actually did return to Argentina. He was convinced from what he had heard from many different sources, young and old, while in Argentina that Peron really doesn't have a great deal of support in that country.

While in Argentina, Ken lived with a family ---father, mother, a daughter 12 yrs. old and two sons, one 15 and the other 16. Ken's "brother" during his stay with his "family" was the 16 year-old, Hector. There were language barriers but Ken appears to have coped with the problem, especially enjoying his long discussions of current problems and events with his "father." The head of the family is a businessman, a partner in a department store in the city of 150,000 where they lived near Buenos Aires. Obviously Ken enjoyed the visit to Argentina and expressed his appreciation to the Downtown KIWANIS for helping finance his trip. Incidentally, when introducing Ken, Dick Landis pointed out that again this year, Cedar Rapids sent more students abroad on the EILP than any other community in the U.S.-----33 students to 20 countries, a remarkable achievement Dick, Ron Moore and all others who have been instrumental in organizing and supervising the local program.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

December 1, 1972
Vern Perry, Editor

THIS WEEK---December 6, 1972

Roosevelt Hotel---Officer Mark Corrigan of the Cedar Rapids Police Department Detective Bureau telling it like it is in CR with drug abuse and use; the magnitude of the problem in our city; what is being done by the Police Department and the relationship of the Department with other agencies in the city working on the same problem. Officer Corrigan and Officer Denton Shultz coordinate the squad of officers concerned with drug abuse and related crime. Jim Bennett will introduce the speaker.

BOARD MEETING---Tuesday Noon, December 5, Downtown Bishop's. Why not join the Board for lunch? President Bill Jameson advises there will be special entertainment! Exotic Dancers, maybe?

JINGLE BELLS!

Or is it Belles? Anyway, the gals will be with us for lunch on Wednesday, December 20. BE SURE YOU ASK HER! The program will be appropriate for the season---the Jefferson Concert Choir getting us into the spirit.

LAST WEEK

It's hard to understand. More than 300 dropouts from the Cedar Rapids schools during this past year! That doesn't mean 300 failures---but it does mean that HACAP's School Dropout Coordinator Sherry Germainio and her two part-time assistants have their work cut out for them! Most of the young people who have dropped out have "had it" with school. There is nothing good about school and it is a waste of time to attend. It is the Dropout Coordinator's job to find ways and means to get the youngsters back on some track. Get them to recognize how important it is to pursue an education of some type to help achieve a satisfactory and satisfying life.

A building near the Peoples Bank is being used as a place to meet, rap and pursue such activities as automotive mechanics, art and journalistic writing. The whole operation is definitely "low-budget". The total funds available for the year are \$12,000!

And talking about "sharing your life" and "getting involved". To try to help the impossible cases, Sherry Germainio holds forth at a "Street School" two evenings each week on strictly a volunteer basis! The "Street School" students (eight of them at this time), as one of their activities publishes the street school news "Nobody Listens".

How about a few of the Downtown KIWANIANs helping with this school dropout program? A real opportunity to "SHARE YOUR LIFE". Call Share Your Life Chairman Roy Parker and volunteer some of your time? How can we help convince these young people that if they don't continue their education---at least thru high school ----- most doors will be closed to them and life will be much rougher than need? Any idea how we can help? Some of you are already involved, and you know your fellow KIWANIANs - how can they help?

THIS WEEK---December 13, 1972

Roosevelt Hotel---Committee Meetings following lunch to get squared away for the year ahead. Russ Mueller advises that he has been trying to work in the combination of a short program followed by committee meetings, but it just hasn't worked out. The program each time has turned out to be so interesting that the "question and answer" session has used up all of the time available. Committee Chairmen are finding they are in need of a session with members of their committees. So please, do your best to be on hand. We need your "two-bits-worth."

A BRICK IN EVERY POT

Environmentalists please note! Tilly Spetgong of Cherry Hill, N. J. has a thing going in her town to save water. Just drop a brick in the toilet tank! Not bad, huh? (Des Moines Register, Thursday morning, December 7, 1972 pg. 6 provides more details of Tilly's crazy, practical idea.)

LAST WEEK

There is something about Officer Mark Corrigan's manner that makes me glad I'm on his side! His presentation was smooth, his manner cordial---but I wouldn't like to tangle with him either physically or verbally. Just suspect he knows a lot of holds, and a lot of words I've never even heard. Am sure he can talk to his problems in their own language!

When introducing Narcotics Officer Corrigan, Jim Bennett pointed out that the drug problem is far from new. It became evident right after the Civil War. Opium smoking became the in-thing in San Francisco and the habit gradually moved across the U.S. especially into the larger cities. (Although, I think I remember Bill Jameson telling me there was evidence that opium addicts even held forth in Montana during the era of the copper strikes in that state.) But as Jim Bennett pointed out---our concern isn't with the past but is with the young people of today, the leaders of tomorrow.

The Metropolitan Narcotics Squad (CR Police Dept., Marion Police Dept. and Linn County Sheriff's Office) was organized a year and a half ago after Federal funds became available. For several years Officer Corrigan, Officer Shultz and others had been laying the groundwork for this effort. Officer Corrigan advises that as recent as five years ago, CR didn't have a serious "drug problem." Now it encompasses young people from elementary school on up. He says that 90 percent of those 300 dropouts from high school we heard about from Sherry Germanio, are the result of the use of harmful drugs.

Officer Corrigan says the education must begin at 1st, 2nd and 3rd grade levels---before the youngsters have reached the rebellious junior high school age. He feels there is little that can be done to "save" the present generation of teenagers if they have already joined the ranks of the drug users. Some will recognize their mistake and reverse their field---but not because of a lecture by a parent, or a teacher or an officer of the law. They are too smart to be taken in by that type of thing! However, it is not all black. Corrigan is convinced there has been marked decreases in the number of heroin users in the area since the Metro Squad took shape. Good thing there are dedicated men such as Officer Mark Corrigan. Can you imagine a more frustrating assignment than that of "Narc Officer"?

I'm glad we have knowledgeable members such as Jim Bennett, Phil Klinger, Gene Adney and Jim Crumrine on our OPERATION DRUG ALERT Committee. They'll keep us from barging in where "agents" fear to tread. Someone asked Corrigan if programs such as the KIWANIS' Drugmobile might not do more harm than good. He nodded agreement!

GUEST

Warren Gilliland of NORAND, CR guest of Bill Jameson.

ANNIVERSARY

Joe Greenleaf---December 9, 1972.

BACKBOARD SHOT

Knew that would do it! Understand all Board Members - except Perry - and enough other members attended last week's Board Meeting to set a record for such a get-together---19 Downtown KIWANIS in all. How about that? But you say the Exotics didn't appear? Possibly President Jameson did say "the program will be just as interesting as a chorus of dancing girls." Maybe I jumped to conclusions and gave you a bum steer. Sorry about that! What's for the January Board meeting, Bill? (Nice of you, Joe Power, to excuse my saying I was attending "Weight Watchers." But, truthfully, I was on Highway 30 West getting plastered---with slush and salt from every truck I met between CR and Ames!)

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

IOWA

a place to grow

December 15, 1972

Vern Perry, Editor

THIS WEEK----December 20, 1972

Roosevelt Hotel----The Jefferson High School Concert Choir. Good and Loud---in contrast to our "Sing-along" of the past couple of Wednesdays. AND DON'T FORGET---December 20 is the day our special girl friends have lunch with us. ASK HER NOW, WHILE YOU THINK OF IT! Lunch and a program of fine music Wednesday. The usual place. No reservations required. (If you have both a "special girl friend" and a wife----that's your problem!)

ONE-CAN FEE (Chinese)

And each member is hereby requested to bring one can of food (American) with him to the December 20 meeting at the Roosevelt. So, remember--you have two to bring: YOUR WIFE AND/OR GIRL FRIEND AND A CAN OF FOOD! You can take the "friend" home with you after the luncheon and program---but please leave the can of food for the Salvation Army! The Army is having \$-type problems---and the Downtown KIWANIS plan to help---but they also need food to help fill those many Christmas baskets. For those who don't remember the can of food---Blue Boy will be on hand to accept generous donations of silver and/or green paper!

THE BUTTERFIELD REPORT

You have to hear it to believe it! Bob Butterfield's report of the Downtown KIWANIS' bowling team's standing in their league! Bob's George-Gobel-like report makes it sound as though the team is achieving outstanding success by maintaining 12th place in a league of 12 teams! I'm not going to try to paraphrase his report--it was too good in its original form!

VINTON VISIT

Lt. Governor Ed Colton, Downtown KIWANIS President Bill Jameson, Vice President Dick Landis, Secretary Joe Power and Share-Your-Life Committee Chairman Roy Parker met with representatives of KIWANIS Clubs from Marion, Cedar Falls and Vinton at the Vinton Country Club last Wednesday to discuss current activities and plans for the future. Apparently it was an inspirational meeting. Even Dick Landis who was so critical of Division conferences after his last experience, advises he has a new outlook!

The discussions centered around the KIWANIS' '72-'73 major emphasis program, SHARE YOUR LIFE. Dick feels that is a winner. And the opportunities are all around us. And many are doing much to SHARE THEIR LIVES, but just haven't thought of it in that light. Bill Jameson points out the Club is in the act with---the Eye/Dental Care Program; Essay Contest; sponsorship of the Experiment for International Living; Dollars for Scholars thru the PTS; Copy Machine for the Youth for Christ Program; Boy Scouts/Campfire Girls/Girl Scouts/Little League, etc. And many of the Downtown KIWANIS as individuals - possibly most - are involved in helping with civic and charitable organizations. So, I guess, what Dick and Bill are really telling us is that we are sharing our lives. Really, all we have to do is to continue the present program and expand it wherever possible. Dick feels strongly that KIWANIS really has a good thing going in the SHARE YOUR LIFE program and that if it isn't part of the International KIWANIS major emphasis program for the indefinite future--it will be a major mistake in planning!

COMMITTEE REPORTING

The rules of the game got changed. Each Committee Chairman is asked to send Joe Power a monthly report. So it's----"As You Were!" Appears the old system worked best. So, Joe will expect reports from the chairmen of the---Essay, Environment, Drug Alert, Share Your Life, New Members & Education, Attendance, Key & Circle K, House & Reception, Music, Fellowship & Welfare, Interclub, Gumball Placement, Youth groups and Youth Service committees. Keep Joe in mind the first of each month.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

December 22, 1972
Vern Perry, Editor

THIS WEEK---December 27, 1972

Roosevelt Hotel---Coach Robert Landis of Mt. Vernon High School discussing the pros and cons; the joys and frustrations of the profession of coaching. Several of his young charges will appear with Coach Landis. Dick Landis will introduce his brother.

5 SEASONS

The newest CR KIWANIS Club----the Five Seasons KIWANIS will hold its Charter Meeting Thursday, January 4, 6:30 P.M. at Downtown Bishops. You are invited. This may be your only chance to meet with the "5 Seasons" brothers if you like to sleep in the morning. They normally meet at 7:00 A.M. Of the 20 members, 18 are directly involved in education; one is with Iowa State University Extension and the 20th is a minister! Let's help the new club get off to a good start. Give Bill Jameson a call if you can make it.

SHARING---Project FIND

Miss Marie Clancy, Executive Secretary of the American Red Cross visited the Downtown KIWANIS last Wednesday noon. Wives of KIWANIS members have recently, as volunteers, been "sharing their lives" to help accomplish a task assigned to the Red Cross by the Federal Government. Margaret Bock, Mildred Downing, Catherine Perry, Dorothy Rasley and Phyllis Wegner have been giving of their time and energy to accomplish the goals of Project FIND. Miss Clancy presented the KIWANIS ladies with a certificate in "Recognition of Services to Project FIND." (The women were presented with individual certificates at a Recognition Coffee.)

Project FIND, you say? Yes----"find" the elderly who are on Social Security - financially qualify for food stamps but do not know how or are physically incapable of making application to start the bureaucratic machinery in motion so they can obtain the stamps. The Social Security Administration started the ball rolling by sending out a card with Social Security checks earlier this year. The card was to be returned if the recipient was interested and felt he qualified for the food stamp program. The returned cards were given to the Red Cross for action. That's where the gals came in! Each volunteer took cards and visited the individuals to help them gather information and fill out the application form, or whatever was required. The applicant was then advised to complete the application and take it to the proper office for processing. The "visits" usually required from two to four hours and many required more than one visit. It has been a time-consuming operation, but results indicate it has been worth the effort.

Of the 508 individuals contacted in Linn County, 59.4% have now qualified for food stamps. No - Margaret, Mildred, Catherine, Dorothy and Phyllis didn't contact all 508! There were other volunteers! And why didn't the county welfare organization handle this survey? These are proud Americans who wouldn't let anyone in the door who was associated with an agency normally thought of in connection with welfare! Mature diplomacy was the key to helping these deserving oldsters caught in the squeeze of low income and inflation.

LAST WEEK---Program

A pleasant and relaxing luncheon followed by a program of fine music appropriate to the season sung by the Jefferson Concert Choir. Fine young voices singing some familiar---and some unfamiliar---inspirational selections from the classical and contemporary periods. A most enjoyable half hour of fine music. (I'm going to stop there. I feel I qualify as a listener, but not as a knowledgeable listener. Will leave the reviews to Les Z.)

And it was so nice having the gals with us last Wednesday. Added a certain spark that is normally missing from the Athletic Club atmosphere of our Wednesday noon meetings! (Can't say I'm completely sold on every facet of the women's lib movement---but it certainly has its good points.)

VISITORS

Russ Landis of CR and Fred Mains of Mesa, Arizona.

AND A MERRY CHRISTMAS TO YOU, TOO-----Vern

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

December 29, 1972
Vern Perry, Editor

THIS WEEK-----January 3, 1972

Roosevelt Hotel---An "unusual and unique" program introduced by Arnold Herbst. Program Chairman Russ Mueller says he feels most fortunate that he was able to schedule this program for the Downtown KIWANIS. He has asked that I say no more about it - but I recommend you attend Wednesday!

BOARD MEETING

Tuesday, January 2, Noon, Downtown Bishop's. Committee Chairmen are asked to attend and give their monthly reports to Joe Power. Joe asks that the following supply him with a report of December committee activities: Vander Schaaf, Perry, Bennett, Parker, Valentine, Fenner, McIntyre, Mueller, Batchelor, Young, Rush, Chandler, Rasley, McFarland and Root.

FIVE SEASONS

Charter meeting 7:00 PM, Thursday, January 4, Downtown Bishop's. (Note the time is 7 PM). Bill Jameson has tickets. Also, this is ladies night. Prime rib will be served at a "sit down" dinner.

SHARE YOUR LIFE

Roy Parker contacted Mrs. Warren Fackler, Chairman of Volunteer Services and found she has requests for all types of "share-your-life" help. Roy plans to pass slips of paper around asking that each of us express an area of interest and an interest in providing such volunteer service. Frankly, I think it will force our hands, and that probably is what Roy wants to do! As he said in his introductory remarks last Wednesday, most of us are doing some volunteer work, but who knows about it? We don't have to be braggards - but let's take an "inventory" to show how the Downtown KIWANIS currently are Sharing Their Lives.

LAST WEEK

Bob Landis, teacher and basketball coach at Mt. Vernon High School, telling us like it is to teach and coach in a small high school. Obviously, Bob Landis is a dedicated teacher and finds working with young people challenging and satisfying. Bob says the order of priorities in his life is God, family, teaching and basketball! He is convinced that the young people of today will do a better job than we have done and will make this world a better place in which to live. He isn't worried!

Coach Landis' starting five accompanied him to have lunch with the Downtown KIWANIS last Wednesday. A fine group of young giants----6 ft. 8", 6 ft. 6", 6 ft. 4", 6 ft. 2" and a little fellow 5 ft. 11". Mt. Vernon has some 320 high school students. There are 14 players on the varsity squad. Twelve of these normally get to play each game, since this is a winning year for Mt. Vernon. Mt. Vernon HS plays in the Eastern Iowa Hawkeye Conference. And they are rated state-wise on top of the heap in their class. Bob thinks it is a fine position to be in and feels the team has a good chance to maintain that position. His teams have taken two conference championships in the five years he has been coaching. Incidentally, just to keep involved, Coach Landis teaches five regular classes every day and is assistant football coach! Wonder what he does in his spare time! Helps some kids do something worth doing, I'll bet'.

GUESTS

A couple of regulars----Fred Maines of Mesa, Arizona and Russ Landis of CR.

ANNIVERSARIES

Bob Gable-----December 29, 1954.

JANUARY 10 PROGRAM

A film on Tree Conservation by Weyerhaeuser. Russ Jensen of Weyerhaeuser will be on hand to expand upon the subject and answer questions.

ENVIRONMENT PROBLEM!

According to United Press International--- "...American farms and feedlots produce more than one billion cubic yards of manure annually..... If this were divided up equally, there would be enough for every family in America to fill an average-sized living room to a depth of five feet."
